RACE 1

CORAL CHESTERFIELD CUP HANDICAP (2) 4yo+ £120,000
1m1f197y (1990 Metres)

Going: **Good (Good to Firm in places)**

Right handed, undulating. There are two bends; all races up to a mile and a quarter use the lower bend, and in excess of eleven furlongs use the top bend. Although there is a five-furlong run-in from the top bend, the turns and the pronounced downhill gradients make Goodwood essentially a sharp track, favouring handy types, particularly in the shorter-distance races. The five-furlong course is one of the fastest in the country, meaning speedy sorts often have an advantage. A notoriously tricky course, those held up regularly meet trouble in the straight, particularly when kept to the rail.

Draw: **N/A** Pace Information: **Very Strong**

1	4	LIBERTY LANE (IRE) (24) (CD)	s	96
		K. R. Burke	4341-5485 6 9-12 62.6kg	Clifford Lee
Won the 2024 Cambridgeshire and added 2 listed races (including C&D) last year. Failed to fire on first 3 outings this year but rejuvenated by first-time cheekpieces when fifth of 14 in handicap at Sandown (1m, good to firm) 24 days ago, making effort earlier than ideal. Back up in trip.				
2	16	BOLSTER (53) (D)		96
		Jack Morland	1/444559-9 6 9-8 60.8kg	George Wood
Smart performer for Karl Burke but underperformed on last month's Epsom reappearance after breathing and gelding operations. Sold for 35,000 gns since. Fourth in this race off 5 lb higher 12 months ago.				
3	13	TORITO (209) (D)	b	90
		John & Thady Gosden	33/06364- 6 9-7 60.3kg	Benoit de la Sayette
Smart gelding who had something of an underwhelming 2025 but still has a lofty triple-figure mark. First start for 6 months and James Doyle looks elsewhere.				
4	5	MIDAK (FR) (10)		94
		Ian Williams	1104-6944 4 9-5 59.4kg	Jamie Spencer
Useful winner for Francis-Henri Graffard in France. Back to that level for this yard when fourth in small-field listed races here (1½m, soft) and Newbury (1¼m, firm) on last 2 outings. Makes handicap debut off a tough mark.				
5	14	YABHER (17) (CD)		98
		William Haggas	892101-10 4 9-5 59.4kg	Tom Marquand
Low-mileage son of Sea The Stars who resumed from 7 months off with an easy all-the-way success in 12-runner handicap over C&D (good to firm) in May. Ridden much more patiently and never involved in the John Smith's Cup at York since but more likely than not to bounce back immediately.				
6	2	HENLEIN (AUS) (41)		94
		Kevin Ryan	6262/90-70 5 9-3 58.5kg	Kevin Stott
Smart form at best in Australia, runner-up in 1¼m Group 1 at Randwick in October 2024. Lightly raced since, failing to build on 7f reappearance for new yard when down the field in the Hunt Cup at Royal Ascot. Steps back up in trip with a point to prove.				
7	17	DIEGO EL QUESO (IRE) (19) (D)		98
		G. M. Lyons, Ireland	31283-212 4 9-3 58.5kg	C. T. Keane
Has returned in excellent form, winning 1¼m handicap at Leopardstown (soft) in April and even better form when runner-up over 9f there on good to firm 19 days ago. This Irish raider should continue to give a good account.				
8	15	WAVE RIDER (129) (D, BF)		93
		George Scott	132312-03 4 9-2 58.1kg	Oisín Murphy
Scored at Sandown (1¼m) last June (final start for Harry Charlton). Placed on 2 of his 3 outings in Bahrain for George Scott over the winter. Not obviously well handicapped on his return to Britain but Oisín Murphy has been booked on the back of a breathing operation.				
9	12	QUAI DE BETHUNE (FR) (17) (D)	★	100
		Hamad Al Jehani	3/14631-60 4 9-0 57.2kg	James Doyle
Signed off for Andrew Balding with victory in 1¼m Golden Gates at Royal Ascot last June. Changed hands for 775,000 guineas (also gelded) and shaped encouragingly with sixth of 16 in handicap at Epsom (1¼m) on return in June. Badly hampered in John Smith's Cup at York since. Considered.				

10	11	NIGHT BREEZE (IRE) (24)	t	96
		54034123 6 8-12 56.2kg Ian Williams		Edward Greatrex
Took his form up a level in 2025, winning twice at Ascot. Off the mark for the season in 5-runner event at Epsom in April and good placed efforts in competitive 1½m handicaps back at Epsom and at Newmarket since.				
11	9	KING'S CODE (18) (D)	v	95
		56800051 6 8-12 56.2kg David Evans		John Egan
Capitalised on a falling mark at Chester (10.3f, good to firm) 18 days ago, perked up by a change of headgear (visor for blinkers). 3 lb higher in a much stronger race now but he has won back to back a few times in his career.				
12	1	DHAHABI (IRE) (53)		87
		4844/00-0 8 8-12 56.2kg Ian Williams		Charles Bishop
Smart at best but very lightly raced in recent times and hard to know how much ability he retains.				
13	7	RATHGAR (24) (C, D)	s	97
		300-41193 6 8-11 55.8kg Jack Channon		David Probert
Straightforward type who doubled his tally for the season when landing City & Suburban Handicap at Epsom in April. That form has been very well advertised and he again ran with credit when third of 9 at Sandown (1¼m, good to firm, 9/2) 24 days ago. Remains of interest.				
14	8	NOBLE HORIZON (50) (D)		98
		221583-71 4 8-11 55.8kg Oli Rix		Silvestre De Sousa
Consistent form for William Haggas last year and left yard debut/return well behind when easily making all at Leicester (1¼m, good) under Silvestre de Sousa in June. The handicapper hasn't missed him with a 10 lb rise but no surprise were he to step forward again.				
15	18	TONY MONTANA (74) (D)	✓	98
		200920-68 6 8-11 55.8kg Kevin Philippart de Foy		Toby Moore (7lb/3kg)
Useful sort with some good C&D form during his time with Michael Bell. Ran only respectably in handicaps at Newbury and York for his new stable in the spring but has been given a bit of a chance by the handicapper.				
16	3	AL AALI (FR) (11) (D)	b	97
		2-0087551 4 8-10 55.3kg George Scott		William Buick
Back to form with a bang in first-time blinkers (retained) when showing a good turn of speed to win a 6-runner race at Newmarket (1¼m, good to firm) 11 days ago. 5 lb higher but retains handicapping scope on his peak French form so he looks of very serious interest.				
17	10	PAROLE D'ORO (19)	s+t	96
		82052-824 4 8-10 55.3kg Michael Bell		Hector Crouch
Low-mileage 4-y-o who was better than ever when second of 10 over 1¼m at Ripon in May. Shaped as if still in good form when 5¼ lengths fourth of 13 to Asmen Warrior in handicap at Newmarket (1m, good to firm) 19 days ago. Back up in trip.				
18	6	TWISTING PHYSICS (29) (D)	t	96
		41/21-6521 5 8-8 54.4kg Oliver Cole		Ashley Lewis (5lb/2kg)
Low-mileage sort who has reacted well to the fitting of a tongue tie, going down by a nose at Newbury before shading a tight finish at Windsor (both 1¼m, firm) in June. Only nudged up 2 lb.				

18 DECLARED RUNNERS

BETTING FORECAST:

13-2 Noble Horizon, 15-2 Yabher, 12-1 Midak, 14-1 Quai De Bethune, 14-1 Diego El Queso, 14-1 Al Aali, 14-1 Wave Rider, 16-1 Tony Montana, 18-1 Rathgar, 18-1 Liberty Lane, 18-1 Twisting Physics, 22-1 Night Breeze, 25-1 Parole D'oro, 25-1 Bolster, 25-1 Torito, 40-1 bar

TIMEFORM VIEW:

A case can be made for a fair few of these with AL AALI just about the most persuasive option. This is undoubtedly a tougher assignment than Newmarket 11 days ago but he was value for more than the winning margin on that occasion and he retains plenty of handicapping scope on old form. Noble Horizon will doubtless be popular given the impression he created at Leicester, with Quai de Bethune and Irish raider Diego El Queso also of serious interest.

1	5	AL HUDAIBA (17) (D)	b	★	100
		1U11 2 9-6 59.9kg			
		Charlie Appleby		William Buick	
Has a few quirks (jinked and unseated rider when looking in control on second start) but has lots of ability and he overcame hanging under pressure to edge out Abraham Lincoln in Group 2 Superlative at Newmarket (7f) 17 days ago. Blinkers may just help him and major claims despite 3 lb penalty.					
2	2	DR RASCAL (17) (D)			93
		11 2 9-3 58.5kg			
		Oliver Cole		Kaiya Fraser	
Made it 2-2 with a useful performance to defy a penalty at Ascot (7f, firm) 17 days ago. This talented colt looks more than ready for a step up in grade.					
3	3	HAFFNER (USA) (17) (D)			88
		21 2 9-3 58.5kg			
		Aidan O'Brien, Ireland		Ryan Moore	
Justify colt who confirmed debut promise when justifying short-priced favouritism in a maiden at the recent Newmarket July meeting. Smart prospect who is sure to leave bare form well behind.					
4	1	PIKACHU (17)			99
		253 2 9-3 58.5kg			
		Charlie Johnston		David Egan	
Has improved with each start, posting a very useful performance when 1¼ lengths third of 7 to Al Hudaiba in Group 2 Superlative at Newmarket (7f, good to firm) 17 days ago. 3 lb better off with that rival but arguably doesn't have same potential.					
5	4	RULER'S CONTROL (IRE) (41)	t		87
		14 2 9-3 58.5kg			
		Joseph Patrick O'Brien, Ireland		James Doyle	
Attracted support and knew job when winning 7-runner maiden at the Curragh (5f, heavy) on debut for Jack Foley in March. Joined Joseph O'Brien after and ran a cracker pitched into the Windsor Castle at Royal Ascot (6f, good to firm) 3 months later. Up in trip and should have more to offer.					
6	6	UNDISCOVERED (IRE) (17) (D)			92
		11 2 9-3 58.5kg			
		Ralph Beckett		Hector Crouch	
Winner of 2 novices at Salisbury this summer. The first came on testing ground he coped well with a much faster surface when seeing off 5 rivals over 7f 17 days ago. Capable of better again.

BETTING FORECAST:

6-4 Al Hudaiba, **2-1** Haffner, **17-2** Pikachu, **11-1** Undiscovered, **14-1** Dr Rascal, **18-1** Ruler's Control

TIMEFORM VIEW:

This track poses a question for the quirky but seriously talented AL HUDAIBA but headgear ought to help his cause and already a winner in Grade 2 company, he can defy the 3 lb penalty. Pikachu was third to the selection in the aforementioned Newmarket race and he's the chief threat on form, though a bigger threat may emerge in the shape of Haffner

1	7	HOLGUIN (17) (D)	91
	49/9331-63	6 9-6 59.9kg	<i>James Doyle</i>
Landed a second Chester listed success last year. Creditable length third (Witness Stand behind) in the latest running of that race but he's short of the required standard here.			
2	4	LAKE FOREST (38) (D)	100
	562207-15	5 9-6 59.9kg	<i>Cieren Fallon</i>
Very smart performer who was second to Witness Stand in this last year. Returned from a gelding operation to win 7f Haydock listed race in May. Best work late when 1½ lengths fifth of 18 to Almeraq in Queen Elizabeth II Jubilee Stakes at Royal Ascot (6f, good to firm) since. Good shout back at 7f.			
3	1	MARVELMAN (IRE) (31) (D)	98
	293310-92	4 9-6 59.9kg	<i>P. J. McDonald</i>
Ready winner of the Group 2 Park Stakes at Doncaster (7f, good) in September. Left a disappointing effort in Saudi in February behind when 1½ lengths second of 11 to Paborus in Chipchase Stakes at Newcastle (6f) 31 days ago. Merits consideration.			
4	2	POET MASTER (IRE) (31) (D)	91
	5/922-2537	6 9-6 59.9kg	<i>Clifford Lee</i>
Winless since 2024 but still capable of smart form, as shown when third to Ten Bob Tony and Witness Stand in 7f Epsom Group 3 in June. Only 6½ lengths seventh of 11 to Paborus in another Group 3 at Newcastle (6f) since, though.			
5	5	QIRAT (31) (CD)	96
	01570-471	5 9-6 59.9kg	<i>C. T. Keane</i>
Smart performer who caused a huge upset in the Sussex Stakes at this meeting last year. Back to winning ways when proving too strong for Never So Brave in 7f York Group 3 last month and he's 3-3 at Goodwood.			
6	8	ROGUE DIPLOMAT (IRE) (41) (D)	96
	1111-2571	4 9-6 59.9kg	<i>Harry Davies</i>
Bounced back with a bang from a below-par effort in listed company in France when winning 28-runner Hunt Cup at Royal Ascot (1m, good to firm) 6 weeks ago. That level of performance is good enough to be competitive at this level.			
7	3	WITNESS STAND (17) (CD, BF)	98
	1200-0826	5 9-6 59.9kg	<i>Kieran Shoemark</i>
Saw off Lake Forest to win this race last year. Back to his best after a breathing operation (also tongue tied) when narrowly denied by Ten Bob Tony in Group 3 at Epsom on Derby day but needs to shrug off a disappointing effort at Chester since.			
8	6	LORD BRITAIN (42) (D)	91
	5138-4015	3 8-13 56.7kg	<i>Benoit de la Sayette</i>
Useful effort to win 7f Kempton handicap in May. Appeared to improve on that form when 6 lengths fifth of 6 to Bow Echo in St James's Palace at Royal Ascot (1m, good to firm) but he was never remotely involved. Faces another stiff task here.

BETTING FORECAST:

evens Lake Forest, 11-2 Qirat, 6-1 Marvelman, 9-1 Witness Stand, 14-1 Rogue Diplomat, 33-1 Poet Master, 33-1 Holguin, 66-1 bar

TIMEFORM VIEW:

LAKE FOREST returns to what is probably his optimum distance after his eye-catching fifth in the Queen Elizabeth II Jubilee at Royal Ascot and can prove too strong for course specialists Qirat and Witness Stand.

TIMEFORM 1-2-3:

1	1	AMILOC (38) (C)		95
		1/11124-66	4 9-12 62.6kg	
		Ralph Beckett	Hector Crouch	
Went from strength to strength last year, 2-2 here and completing 5-timer in Royal Ascot Group 2 before running with credit in defeat in Irish St Leger/Breeders' Cup Turf. Well below par on York return but ran a lot better when 4¾ lengths sixth to Giavellotto in Hardwicke at Royal Ascot. Up in trip.				
2	6	FRENCH MASTER (IRE) (38) (C)	s	89
		21150-352	5 9-12 62.6kg	
		John & Thady Gosden	James Doyle	
Won 1¼m Copper Horse at 2025 Royal Ascot and went close to a second win at that meeting when worried out of it by Illinois in Queen Alexandra (21.6f, good to firm) last month. Plenty to find at this level.				
3	7	ILLINOIS (IRE) (9)		89
		1227-3615	5 9-12 62.6kg	
		Aidan O'Brien, Ireland	Sean Levey	
Second in the Gold Cup and this race (beaten ¾ length by Scandinavia) last year. Took advantage of a drop in class when edging out French Master in Queen Alexandra at Royal Ascot but well beaten in the Curragh Cup only 9 days ago.				
4	3	LAZY GRIFF (GER) (25) (D)	s	90
		131/223-31	4 9-12 62.6kg	
		Charlie Johnston	Oisin Murphy	
Placed in the Derby at Epsom and Irish Derby at the Curragh last year. Built on encouraging reappearance third at Sandown with a listed win there (2m, good) 25 days ago. The opposition here is much tougher but he could have more to offer as a stayer and goes in first-time cheekpieces.				
5	4	RAHIEBB (40)		95
		222342-18	4 9-12 62.6kg	
		Roger Varian	Ray Dawson	
Just failed to reel in Scandinavia in last year's St Leger. Notched a first pattern success in Yorkshire Cup (1¼m) on reappearance and seemingly failed to stay 2½m when well behind Scandinavia and Trawlerman in the Gold Cup at Royal Ascot. A bare 2m should be fine, though.				
6	2	SCANDINAVIA (USA) (40) (CD)	s	100
		15111-111	4 9-12 62.6kg	
		Aidan O'Brien, Ireland	Ryan Moore	
Took this race last year before wrapping up his campaign with victory in the St Leger. Has picked up where he left off by winning all 3 starts this season, notably edging out Trawlerman in a thrilling Gold Cup at Royal Ascot (2½m, good to firm). Will continue to be hard to beat.				
7	8	TRAWLERMAN (IRE) (40) (C, D)	h	100
		23/51111-2	8 9-12 62.6kg	
		John & Thady Gosden	William Buick	
Dominated the staying division last year and ran right up to his best when edged out by Scandinavia in Gold Cup at Royal Ascot (2½m, good to firm) on reappearance. Didn't take in this race last year but his previous Goodwood visit resulted in a win at the 2022 Glorious meeting. Sure to go well.				
8	5	MISS ALPILLES (40) (C, D)	b	91
		50211-325	5 9-9 61.2kg	
		Ed Walker	Kieran Shoemark	
Ended 2025 with a 2m listed success at Newmarket. Second in York Group 3 in May before excellent 10¾ lengths fifth of 11 to Scandinavia and Trawlerman in Gold Cup at Royal Ascot (2½m, good to firm). Blinkers go on but surely playing for minor honours at best with that pair in opposition again.

TIMEFORM VIEW:

A mouthwatering rematch between SCANDINAVIA and Trawlerman, with Aidan O'Brien's charge fancied to confirm Ascot Gold Cup form with the 8-y-o and make it 7 wins in a row and back-to-back victories in the Goodwood Cup. Lazy Griff, who goes in first-time cheekpieces, could have more to offer as a stayer and is the each-way selection.

1	1	JASOUR (10) (D)	t	95
	066-26605	5	9-12 62.6kg	
	Clive Cox			P. J. McDonald
	Runner-up in a Doncaster listed race on reappearance in March. Struggled to make an impact in 6f Group events since. Drops in class/trip but probably needs a career best to defy top weight on handicap debut.			
2	17	RUN BOY RUN (17) (D)	v	98
	96712004	5	9-10 61.7kg	
	Richard Spencer			Toby Moore (71lb/3kg)
	Top-end sprint handicapper who landed last season's Ayr Gold Cup. Enhanced his CV with handicap success/Group 3 second in Meydan over the winter and looked as good as ever when 1 length fourth in a competitive Ascot handicap last time.			
3	5	LEXINGTON BLITZ (IRE) (52) (CD)	s	100
	22219-313	4	9-6 59.9kg	
	Robert Cowell			Edward Greatrex
	Produced a career best when smooth-travelling winner of C&D handicap in May. Ran a cracker from a less-than-ideal position when third from a 9 lb higher mark in the Epsom Dash. Must enter calculations in his current vein of form.			
4	21	CANDY (38)		98
	6700416-0	4	9-5 59.4kg	
	Richard Spencer			Jack Callan (31lb/1kg)
	Went with plenty of enthusiasm when an impressive winner of a strong Ayr Silver Cup (6f, soft) last September. Still well treated on the merit of that form and clearly wasn't himself in Wokingham on reappearance (reportedly bled). Could be worth another chance under good-value apprentice.			
5	7	DEMOCRACY DILEMMA (IRE) (52) (D)	v	97
	613-30960	6	9-4 59.0kg	
	Robert Cowell			Tom Eaves
	Enthusiastic front runner who ran out an easy winner of 5f handicap at Haydock (good to firm) last autumn. Now 3 lb lower but needs to bounce back from a tame effort in the Epsom Dash 7 weeks ago.			
6	4	TOCA MADERA (IRE) (17) (D)		97
	49-703160	5	9-3 58.5kg	
	David O'Meara			Daniel Tudhope
	Capitalised on a reduced mark when recording an easy success at Doncaster last month. Less effective when unable to get to front in competitive events since and likely to be a similar story on this occasion.			
7	24	ADRESTIA (17) (D)	t	97
	14226-780	4	9-2 58.1kg	
	Simon & Ed Crisford			Oisin Murphy
	Won the Palace of Holyroodhouse at Royal Ascot before going close in this corresponding event 12 months ago. Reunited with Oisin Murphy for the first time since and 3 lb lower than last year following a couple of weak-finishing efforts.			
8	14	GERMANIC (IRE) (185) (D)		96
	000601-91	5	9-2 58.1kg	
	Julie Camacho			Ryan Sexton
	Free-going sort who was well held in top-end turf handicaps last summer. Proved at least as good as ever when resuming winning ways on the all-weather at Newcastle in January. Probably worth opposing returning to this surface after 6 months off.			
9	8	REGAL ENVOY (IRE) (17) (D)	s	98
	06-312178	7	9-1 57.6kg	
	William Knight			Taylor Fisher
	Thriving when notching a second win in 3 starts in a useful sprint at Windsor last month. Likely still in form when beaten just over 2 lengths at Ascot latest. Yard going great guns but he may just find this a tad too competitive.			
10	6	NAANA'S SPARKLE (23) (CD)	t	99
	12136-141	4	9-0 57.2kg	
	Lemos De Souza			Kieran O'Neill
	Won a solid 3-y-o C&D handicap for Alice Haynes at this meeting 12 months ago. Has looked an improved model in winning twice from 3 starts for current yard, always holding on when scoring by a neck from Rapper's Delight at Southwell last time. Looks one of the more likely winners.			

11	3	THE MAN (IRE) (32) (D)	s+t	90
	8/128-6660	4	8-13 56.7kg	
	Richard Spencer			David Egan
	Lightly-raced 4-y-o who seemingly hasn't been the easiest to train. Put up a couple of useful performances under returning David Egan at York last season. Below form since but tongue strap/cheekpieces now added following a pipe-opener last month. Worth checking if market expects a revival.			
12	19	TWILIGHT CALLS (18) (D)	v	98
	06586121	8	8-12 56.2kg	
	Richard Spencer			Saffie Osborne
	Ran a cracker when fifth in 2025 Stewards' Cup. Arrives in a similar vein of form following 2 wins in his last 3 starts, coming from a less-than-ideal position to score by a head from Rapper's Delight at Newmarket latest. Best recent efforts have come under Saffie Osborne. Makes plenty of appeal.			
13	10	DESERT COP (27) (D)	s	97
	57305714	6	8-12 56.2kg	
	George Baker			Benoit de la Sayette
	Overcame another slow start to end a long losing run in lower grade at Windsor (6f) last month. Has been freshened up following lesser effort at Epsom 5 days later, but something to find at the weights even if on a going day.			
14	22	EXCLAMATION (IRE) (25) (D)	s	96
	50-901902	3	8-12 56.2kg	
	Grace Harris			Ray Dawson
	Speedy 3-y-o who made all in 5f handicap at Chester in May. Bounced back to form following a no show in the Palace of Holyroodhouse when going close in a 5-runner event at Sandown latest. Looks vulnerable back in a competitive, big-field handicap, though.			
15	12	GLAMOROUS BREEZE (17) (CD)	s	98
	55913-325	8	8-11 55.8kg	
	Christopher Mason			Gina Mangan
	Strong-travelling mare who won 3 times in 2025. Has returned in rude health with nearer misses here/at Windsor before an encouraging 1-length fifth in competitive Ascot handicap last time. Return to this track will play to her strengths and a big run could be in the offing.			
16	2	RAPPER'S DELIGHT (18) (D)	v	99
	21-529922	4	8-11 55.8kg	
	Richard Spencer			George Wood
	Sole success came when impressively landing the odds in Southwell novice in 2025. Narrowly held by Naana's Sparkle/Twilight Calls on her most recent starts, though has less mileage than that pair. One to consider for stable with strong hand in the race.			
17	18	ZIGGY'S TRITON (IRE) (18) (D)	s	97
	95107071	4	8-11 55.8kg	
	David O'Meara			Tom Marquand
	Has more than earned his keep for the David O'Meara stable, notching a sixth career success by ½ length from Spring Is Sprung at York last time. Now 3 lb higher in a much stronger race and is probably vulnerable.			
18	13	TATTERSTALL (IRE) (18) (CD)		98
	414/00-325	6	8-11 55.8kg	
	Michael Dods			Connor Beasley
	Proved he retains his ability following a couple of significant absences. Went close in a lesser event at Hamilton before not quite in the same form when 2¾ lengths fifth behind Twilight Calls at Newmarket last time. Successful in this corresponding race 2 years ago off 2 lb lower.			
19	16	SEVEN QUESTIONS (IRE) (32) (CD)		97
	00-364170	5	8-10 55.3kg	
	Robert Cowell			Jamie Spencer
	Took advantage of reduced mark when getting up late under Jamie Spencer over C&D in May. Some mitigation both starts since and has been given a chance by the handicapper. Could bounce back for yard enjoying a resurgent season with their sprinters.			
20	15	DYONISOS (FR) (25) (D)		98
	83272051	4	8-10 55.3kg	
	Ian Williams			Cieren Fallon
	Useful sort who went close over C&D in May. Showed a nice turn of foot to open his account for current yard at Doncaster last time. More needed off 4 lb higher up in class, though big-field handicap/likely strong pace will suit his style.			
21	9	VINTAGE CLARETS (45) (D)		99
	08-007023	7	8-8 54.4kg	
	Richard & Peter Fahey			Warren Fentiman (31lb/1kg)
	Relishes softer conditions but was very useful winner of Shergar Cup event on good to firm last summer. Had fallen long way in weights prior to close second in Dash and subsequent third at Chester can be marked up (forced wide). Still looks on a very handy mark and has to be high on the shortlist.

CORAL REWARDS SHAKER HANDICAP (2) 3yo+ (Rated 0-105) £75,000 5f (1010 Metres)

22	23	SPRING IS SPRUNG (FR) (18)	(D)		97
8-1447432 7 8-7 54.0kg					
Paul Midgley Mark Winn					
Completed a hat-trick at Haydock last summer. Opened his account for the year on reappearance at Southwell in January and confirmed himself back in form with close second at York on latest start. Likely to find this step up in grade a bridge too far, though.					
23	20	WHEELS OF FIRE (IRE) (57)	(D, BF)		95
76-010647 4 8-5 53.1kg					
Richard Hannon Silvestre De Sousa					
Fourth behind Nanna's Sparkle in 3-y-o event at this meeting last year. Improved since with successes at Windsor/Musselburgh, though hasn't looked in the same form in weaker events than this of late.					
24	11	REIGNING PROFIT (IRE) (11)	(D)	b	97
85204615 7 8-3 52.2kg					
Ruth Carr Andrew Mullen					
Benefitted from more positive ride when getting off the mark for the season at Ripon earlier this month. However, not in same form under a penalty at Pontefract subsequently and now finds himself in hotter company.

BETTING FORECAST:

8-1 Lexington Blitz, **12-1** Twilight Calls, **14-1** Adrestia, **16-1** Naana's Sparkle, **16-1** Rapper's Delight, **20-1** Vintage Clarets, **20-1** Glamorous Breeze, **20-1** Run Boy Run, **20-1** Candy, **20-1** Dyonisos, **20-1** Seven Questions, **20-1** Democracy Dilemma, **25-1** Tatterstall, **25-1** The Man, **28-1** Ziggy's Triton, **33-1** Wheels of Fire, **33-1** Jasour, **40-1** bar

TIMEFORM VIEW:

TWILIGHT CALLS was back to something like his best when successful at Newmarket last time and is still attractively handicapped (7 lb lower than when fifth in last year's Stewards' Cup). He has plenty of pace drawn around him and could be poised to follow up. Improving sprinter Naana's Sparkle is next best, with Vintage Clarets, Lexington Blitz, Candy and Glamorous Breeze all worthy of consideration in a wide-open renewal.

RACE 6

BRITISH STALLION STUDS EBF MAIDEN STAKES (2) 2yo colts and geldings £60,000 6f (1210 Metres)

Going: **Good (Good to Firm in places)**

Right handed, undulating. There are two bends; all races up to a mile and a quarter use the lower bend, and in excess of eleven furlongs use the top bend. Although there is a five-furlong run-in from the top bend, the turns and the pronounced downhill gradients make Goodwood essentially a sharp track, favouring handy types, particularly in the shorter-distance races. The five-furlong course is one of the fastest in the country, meaning speedy sorts often have an advantage. A notoriously tricky course, those held up regularly meet trouble in the straight, particularly when kept to the rail.

Draw: **Against Mid** Pace Information: **Very Strong**

1	6	AGRIPPA (IRE) (10) (BF) 52 2 9-2 58.1kg	85
		Richard Hannon Showed plenty when fifth of 11 in a strong-looking novice at Doncaster (6f, good to firm) on debut and confirmed those impressions when narrowly denied at Newbury (6f, firm) since. Capable of better again.	<i>Pat Dobbs</i>
2	2	ARD AS A ROCK (IRE) (19) 5 2 9-2 58.1kg	75
		David Evans 33/1, showed speed when 2 lengths fifth of 18 in novice at Newbury (6f, firm) on debut 19 days ago. Open to improvement.	<i>C. T. Keane</i>
3	12	BEACH NOIR (IRE) (25) 8 2 9-2 58.1kg	61
		Gary & Josh Moore 80/1, eighth of 10 in novice at Sandown (7f, good) on debut 25 days ago. Can only watch after that.	<i>Hector Crouch</i>
4	1	DEMONSTRATE 2 9-2 58.1kg	
		Oliver Cole Foaled April 28. 60,000 gns Showcasing brother to very smart 6f winner Sense of Duty and half-brother to 1¼m-1½m winner Sanction and 6f winner Mission In Malton. Dam 1m winner. Makes enough paper appeal to warrant a betting check, particularly as yard has some promising 2-y-os to compare him to.	<i>Edward Greatrex</i>
5	5	DOES MARY KNOW 2 9-2 58.1kg	
		Eve Johnson Houghton Foaled March 1. 55,000 gns Dark Angel colt. Dam 2-y-o 6f winner out of useful 1m/8.3f winner Spirit Raiser. The stable does get first-time-out 2-y-o winners.	<i>Charles Bishop</i>
6	8	DORIGO (IRE) (41) 27 2 9-2 58.1kg	89
		Kevin Ryan Promising type. Second on Newcastle debut and stepped up on that when 4 lengths seventh of 25 to King of Cloughan in listed Windsor Castle Stakes at Royal Ascot (6f, good to firm) 41 days ago. Should be more to come and a big player here.	<i>Kevin Stott</i>
7	3	FINAL OBJECTIVE (IRE) (42) 27 2 9-2 58.1kg	h ★ 100
		Hamad Al Jahani Left the form of his debut second well behind when 1½ lengths seventh of 21 to Great Barrier Reef in Group 2 Coventry at Royal Ascot (6f, good to firm) 6 weeks ago. Subsequently gelded. Sets a high standard for a maiden.	<i>Callum Rodriguez</i>
8	14	GROUND FORCE 2 9-2 58.1kg	
		James Owen Foaled February 21. 20,000 gns Land Force colt. Half-brother to 2-y-o 6f winner Gesayed. In top hands but starts out in a hot race.	<i>Cieren Fallon</i>
9	13	LAUNCH SEQUENCE (IRE) (25) 3 2 9-2 58.1kg	81
		K. R. Burke Mehmas colt who shaped very well when third of 11 in novice at Doncaster (6f, good to firm) on debut 25 days ago, looking unlucky not to win having been denied a clear run. Open to significant improvement.	<i>James Doyle</i>
10	15	MAJOR LOOKTWICE 2 9-2 58.1kg	
		Gary & Josh Moore Foaled March 24. €45,000 breeze-up purchase by Mehmas colt. Half-brother to several winners, including 2-y-o 6f/7f winner Gavota and 6.5f/7f winner Fiduciary. Could only consider if backed.	<i>David Probert</i>

11	10	MR RESDEV (27) 4 2 9-2 58.1kg	65
		Michael & David Easterby 28/1, best of the newcomers when fourth of 11 in novice at Thirsk (6f, good to firm) on debut 27 days ago. Should have more to offer but still an outsider here.	<i>Billy Garritty</i>
12	7	SAVAGE MARINER (IRE) (38) 20 2 9-2 58.1kg	87
		Hugo Palmer Blackbeard colt who showed fairly useful form when second on 6f Leicester debut (firm) in May. Run off his feet over 5f at Royal Ascot since but retains potential back at 6f in maiden company.	<i>Oisin Murphy</i>
13	11	SEVERN COUNCILS (IRE) (11) 7 2 9-2 58.1kg	80
		Richard Hughes Sioux Nation colt who was pitched in at listed level on his recent 6f Newbury debut and showed promise in seventh. Looks sure to improve and Ryan Moore has been booked.	<i>Ryan Moore</i>
14	4	SHEMIYLA STAR (IRE) (27) (BF) 24 2 9-2 58.1kg	73
		Charlie Johnston Fair form when reaching the frame in maidens at Pontefract (6f, good) and Epsom (7f, good to firm) but a good deal more is likely to be required here.	<i>Silvestre De Sousa</i>
15	9	WASHINGTON ROYALE (18) 45 2 9-2 58.1kg	73
		Michael Appleby Fair form in 6f events at York and Ascot in recent weeks. Likely has bigger performances in him but this looks a strong maiden.	<i>Robert Havlin</i>
16	16	WOLF BAY (19) 0 2 9-2 58.1kg	58
		Alan King 16/1, eleventh of 18 in novice at Newbury (6f, firm) on debut 19 days ago. More one for the longer term on that evidence.	<i>Clifford Lee</i>

16 DECLARED RUNNERS

BETTING FORECAST:

2-1 Final Objective, 6-1 Dorigo, 9-1 Agrippa, 10-1 Savage Mariner, 10-1 Launch Sequence, 10-1 Severn Councils, 25-1 Washington Royale, 28-1 Shemiyla Star, 40-1 bar

TIMEFORM VIEW:

A very valuable maiden and this year's renewal is a strong one with FINAL OBJECTIVE setting a high standard having been beaten only 1½ lengths in the Coventry at Royal Ascot. Dorigo did well under the circumstances when seventh of 25 in the Windsor Castle at the same meeting so rates the main threat ahead of Launch Sequence and Agrippa, who both look good prospects.

Draw: **N/A** Pace Information: **Strong**

1	15	BETTY CLOVER (41) P700-5540 4 9-12 62.6kg		92
		Eve Johnson Houghton	Charles Bishop	
Highly tried since winning a listed race at York at 2 and has shaped better than the bare form figures indicate on occasions this season. Keen and well held in competitive Royal Ascot handicap last time and she possibly remains a shade too high in the weights.				
2	4	NANINO NIYATI (17) 92138-414 4 9-8 60.8kg		96
		Owen Burrows	Callum Rodriguez	
A 1¼m winner for Daniel & Claire Kubler in 2025 and has made an encouraging start for new yard, winning second time out this season at Newbury (1¼m) in June in game fashion. Beaten less than ½-length when fourth at Ascot 17 days ago and should continue to give a good account.				
3	10	JUST CALL ME ANGEL (39) (D) 51131-170 3 9-7 60.3kg		91
		Ed Dunlop	Robert Havlin	
Signed off juvenile campaign with success in Italian Group 2 at Milan and picked up where she left off when landing the Italian 1000 Guineas there in May. Well held in listed race at this course and Sandringham Handicap at Royal Ascot since and now has questions to answer from this mark.				
4	14	RUMBA NUMBA (41) (D) 6124-15 4 9-7 60.3kg		96
		Roger Varian	Jack Mitchell	
Progressive 3-y-o who made a successful return in 5-runner Doncaster handicap in June. Acquitted herself well when fifth in Kensington Palace Stakes at Royal Ascot (1m) just 12 days later. Looks sure to go well again for yard who won this last season (she also shaped well in the race in fourth).				
5	12	SONG N DANCE (17) (D) 36211-225 4 9-3 58.5kg		94
		S. P. C. Woods	David Egan	
Ended 2025 with back-to-back 7f/1m wins Leicester and Newcastle and returned with runner-up efforts in 1m handicaps at Southwell and Ascot (form boosted) on first 2 starts this year. Probably unsuited by drop back to 7f at Newmarket 17 days ago. Each-way claims.				
6	2	ELECTRIFARHH (57) (D) 41/2-76 4 9-1 57.6kg		92
		Ed Walker	Kieran Shoemark	
Lightly-raced filly who won 1m Kempton novice as a 2-y-o. No better than mid-field both starts in handicaps this season though wasn't seen to best effect at Newbury last time. Fitted with a first-time hood but others appeal as better treated at the weights.				
7	3	ANNASTARZY (26) (CD) 644-48111 3 8-13 56.7kg		100
		Richard Hannon	Joe Leavy	
Progressing nicely since sent handicapping, recording a recent hat-trick at Thirsk, Goodwood (over C&D) and Newbury (by 1¼ lengths from Commander of Life, with bit in hand). The form of those last 2 wins is working out well and she has to be taken seriously from a favourable draw.				
8	5	VIXEY (17) (D) 121335-82 6 8-12 56.2kg		95
		Simon West	Aiden Brookes	
A 4-time winner last season who built upon her reappearance effort with a fine second at Chester 17 days ago. May find this tougher up in grade.				
9	1	STAR MIRAGE (USA) (221) 232- 3 8-8 54.4kg		92
		Hamad Al Jehani	Jamie Spencer	
Placed all 3 starts to date on the all-weather/dirt. Chased home subsequent UAE Oaks winner Labwah in a conditions race at Meydan when last seen in December. This is a tough spot to make her handicap debut after a 7-month absence and she also needs to prove her effectiveness on turf.				

10	9	SI GRASS (IRE) (167) (D) 2-12 3 8-7 54.0kg		89
		Charlie Johnston	Silvestre De Sousa	
Thrice-raced filly who won 1m Southwell maiden in January with plenty in hand. Conceded first run when second in novice over that C&D the following month when last seen. Has a bit to find on form now switched to handicaps but is low mileage. Yard won this 2 years ago.				
11	6	CRAZEE ICON (17) (D) 622-52511 3 8-5 53.1kg		99
		Andrew Balding	Ray Dawson	
Had shaped well on several occasions before opening her account in 8-runner handicap at Chester in June. Became the third next-time-out winner out of that race when following up there 17 days ago in decisive fashion. Up in grade but not taken lightly in hat-trick bid.				
12	7	ATLANTIS BLUE (26) (D) 412574-44 7 8-5 53.1kg		95
		George Baker	Luke Morris	
Scored at Lingfield (9f) last summer before finishing second in the 2025 renewal of this off a 2 lb higher mark. Made the frame at Kempton both starts this year and now back in a fillies race.				
13	11	WID (IRE) (19) (D) 7-21 3 8-5 53.1kg		90
		Ralph Beckett	Edward Greatrex	
Settled better than previously when opening her account in 6-runner novice at Carlisle (1m, firm) 19 days ago. Is bred to be at least smart and there should be more to come now stepping into handicaps.				
14	13	PROPOSAL (66) (BF) 542-14 3 8-2 51.7kg		97
		William Haggas	Saffie Osborne	
3-y-o filly who returned from 7 months off with a much-improved performance to get off the mark in 10-runner Doncaster maiden. Can have a line put through her Windsor run on handicap debut last time after a slow start. Wide draw doesn't help but she remains with potential.				
15	8	PERDY IN PARIS (83) 33-2 3 8-0(7-13) 50.8kg (50.3kg)	t	90
		George Baker	Kieran O'Neill	
Placed on all 3 starts, latest when second of 14 in maiden at Kempton (7f) on reappearance in May. Will be suited by this trip but she's racing from just out of the weights on handicap/turf debut.				

15 DECLARED RUNNERS

BETTING FORECAST:

TIMEFORM VIEW:

A competitive fillies handicap with preference for the progressive ANNASTARZY who can maintain her winning streak. The in-form Crazee Icon should be in the mix as she bids for the hat-trick, with Rumba Numba entitled to be on the premises despite a high draw. Nanino Niyati and Wid are others to consider.

Going: **Good (Good to Firm in places)**

Right handed, undulating. There are two bends; all races up to a mile and a quarter use the lower bend, and in excess of eleven furlongs use the top bend. Although there is a five-furlong run-in from the top bend, the turns and the pronounced downhill gradients make Goodwood essentially a sharp track, favouring handy types, particularly in the shorter-distance races. The five-furlong course is one of the fastest in the country, meaning speedy sorts often have an advantage. A notoriously tricky course, those held up regularly meet trouble in the straight, particularly when kept to the rail.

Draw: **Against Mid** Pace Information: **Very Strong**

1	15	CINQUE VERDE (66) (D)	99
	20144-818	6 9-12 62.6kg	<i>David Egan</i>
Produced a big career best under ideal conditions when winning an 11-runner event at Newmarket (6f, good) in May by 6½ lengths. Unable to back that progress up at listed level later in the month (went off hard) but freshened up since and can feature returned to this company.			
2	11	HOLD A DREAM (IRE) (18) (D)	95
	52932-070	4 9-10 61.7kg	<i>P. J. McDonald</i>
Without a win in 2025 though was placed 4 times at listed level. Yet to fire this season and sights are lowered venturing into a handicap for the first time. Cheekpieces go on.			
3	18	STORMY IMPACT (31) (D)	100
	15826-045	4 9-8 60.8kg	<i>Warren Fentiman (3lb/1kg)</i>
Three-time winner who ran a cracker to finish fourth in the Epsom Dash (5f, soft) early last month, despite finding things happening too quickly. Backed that up when fifth of 9 at Chester (6f, good to firm) 3 weeks later and she lurks on a handy mark reunited with Warren Fentiman.			
4	2	CINDY LOU WHO (29) (D)	95
	3113-2995	4 9-7 60.3kg	<i>William Carson</i>
Thrived for current yard last season, notching her fourth success at Bath in September. Ran a cracker on return when short-head second of 14 in 5f listed event there but has failed to back up that improvement in 3 handicaps since. Assessor eases his grip, but others look stronger.			
5	8	GOLD DIGGER (IRE) (24) (D)	88
	16-196	3 9-4 59.0kg	<i>Saffie Osborne</i>
Landed odds in a Windsor novice on seasonal return and wasn't disgraced when ninth of 27 on handicap debut back at the Royal Meeting last month. Ran about as well as could've been expected when sixth in Sandown Group 3 earlier in the month and headgear/tongue tie applied back down in grade.			
6	1	BEAUJOLAIS NOUVEAU (21) (D)	97
	300-05154	4 9-3 58.5kg	<i>Andrew Mullen</i>
Ended 2025 out of sorts but rejuvenated by cheekpieces when landing 6f handicap at Ripon in May. Matched that form from 7 lb higher mark when fifth of 12 at York next time but found things too competitive upped further in grade at Pontefract (6f, good) earlier in the month. Uphill task.			
7	21	FLEETWATER (28) (D)	98
	70-262391	4 9-0 57.2kg	<i>Taylor Fisher</i>
Given a slightly longer break than last time and proved just about as good as ever in recording a first success away from Windsor in 7-runner event at Salisbury (6f, good) 4 weeks ago, all out to hold on. Nudged up only 2 lb and did run well here when a close third early last month.			
8	9	MACHADADORP (17) (BF)	98
	6112	3 9-0 57.2kg	<i>Oisin Murphy</i>
Winner of maiden at Chester and novice at Wetherby over 7f in recent months. Bumped into one that proved a long way ahead of her mark when second of 9 on handicap debut at Newmarket (7f, good to firm) earlier in the month and she remains with plenty of potential trying a sprint trip for first time.			
9	7	SING THE BLUES (IRE) (11) (CD)	97
	351P-1	3 8-11 55.8kg	<i>Cieren Fallon</i>
Belatedly built on the promise she showed on debut when making all in a C&D novice last October. Amiss when pulled up on nursery bow the following month (finished lame) but made a winning return/yard debut in 8-runner handicap at Newmarket (6f) 11 days ago. Entitled to have more to offer.			

10	12	RUBY'S ANGEL (IRE) (17) (D)	95
	414-21044	3 8-11 55.8kg	<i>David Probert</i>
Low-mileage 3-y-o who doubled her tally with success at Chester (6f, good) in May. Wasn't disgraced though her effort rather flattened out when fourth of 9 at Newmarket (7f, good to firm) earlier in the month. Return to 6f in her favour but vulnerable to less exposed types.			
11	14	ANGEL SHARED (11) (D)	97
	08-753064	5 8-10 55.3kg	<i>Clifford Lee</i>
Rattled off a Newmarket hat-trick last summer (all good to firm). Doesn't seem in the same form this time round so best watched for now, especially in something this competitive.			
12	10	SHALLOW (11) (D)	97
	69233292	5 8-10 55.3kg	<i>George Wood</i>
Won at Newmarket last July but not tasted success since, though again ran really well in a change of headgear when length second of 8 to Sing The Blues at Newmarket (6f, good to firm) 11 days ago, that her fourth runner-up effort of the year. In the mix with a repeat for an in-form yard.			
13	3	SECRET HISTORY (IRE) (17) (D)	98
	23-1141	3 8-9 54.9kg	<i>Ashley Lewis (5lb/2kg)</i>
Resumed her progress to make it 3 wins in her last 4 starts in 11-runner handicap at Newmarket (7f) earlier in the month, displaying a quirk or 2 but essentially doing well under the circumstances given how freely she raced. Remains unexposed and should get a more truly-run affair here.			
14	19	ZIGHY (IRE) (29) (D, BF)	94
	3221-1432	3 8-8 54.4kg	<i>Jack Callan (3lb/1kg)</i>
Dual all-weather scorer who remained in good form but never looked like laying a glove on the winner when second of 5 in handicap at Ffos Las (5f, good to firm) last month. Winner that day has gone in again since and first-time cheekpieces go on to try and eke out that bit extra.			
15	6	ROGUE ATTRACTION (IRE) (19) (D)	96
	2100-61	3 8-8 54.4kg	<i>Harry Davies</i>
Won her maiden over 6f at Catterick last August but found higher grades beyond her subsequently that year. All the fitter for her comeback when doubling her tally in 8-runner handicap at Carlisle (6f, firm) just under 3 weeks ago and every chance she will progress again.			
16	17	ZEN DIVA (17) (D)	98
	423-11	3 8-7 54.0kg	<i>Silvestre De Sousa</i>
Made the frame all 3 starts at 2 yrs and opened her account in first-time cheekpieces in Ripon novice on return in May. Maintained her unbeaten start to the season in emphatic fashion switched to a handicap in 3-runner event at Salisbury (6f) 17 days ago and is open to further progress.			
17	5	PARADISE WALK (IRE) (4) (D)	95
	22-24114	3 8-6 53.5kg	<i>Edward Greatrex</i>
Opened her account in a Windsor maiden (6f) in May and followed up on second handicap start in 6-runner event at Nottingham (good) last month, again responding to pressure and coping with the drop back to 5f. Not disgraced when fourth of 9 at Ascot (5f) last week but this is a step up in class.			
18	13	BINTARYANA (46) (D)	98
	5-1221	3 8-5 53.1kg	<i>Luke Morris</i>
Won 6f maiden at Nottingham on return in April and doubled her tally taking on her elders/quickly back at 6f in 12-runner handicap at York (good) last month, value for extra having been forced to manoeuvre around the principals. Nudged up just 2 lb and looks capable of better again. Shortlisted.			
19	4	DIAMONT KATIE (IRE) (28) (D)	98
	58512342	4 8-5 53.1kg	<i>Jack Nicholls (3lb/1kg)</i>
Showed improved form after a breathing operation when scoring easily at Pontefract (6f) in April. Consistent in defeat thereafter and turned in her best effort since when second of 8 at Musselburgh (7f, good to firm) 4 weeks ago. Further progress needed to add to her tally.

Much improved when winning a pair of handicaps at up to 7f in May/June. Anchored by 4 lb higher mark on both subsequent starts, though wasn't seen to best effect when third of 6 at Chester (6f, good to firm) 17 days ago, losing ground out of the widest stall. Faces a stiff task in this.

Musselburgh scorer in April and well and truly knocking on the door, runner-up for fourth time in her last 5 runs in 5-runner event at Hamilton (5f, good to firm) 11 days ago. Not without each-way claims from marginally out of the weights.

TIMEFORM VIEW:
A fiendishly-competitive closing sprint but preference is for MACHADADORP, who continued a theme of race-by-race progression when runner-up on handicap debut at Newmarket recently and Andrew Balding's filly is open to further improvement tackling a sprint trip for the first time. Bintaryana was value for extra when scoring at York last month, so she could be the one to offer most resistance, with Stormy Impact, Cinque Verde and Zen Diva just a handful of others worth considering, too.

TIMEFORM 1-2-3:
1. MACHADADORP 2. BINTARYANA 3. STORMY IMPACT
