7 Håna Am finished well to third in the last run and is our pick here. Is strong and he likes this long distance. 9 Immigrant Am is good enough to win this if he is in good shape. He can do better than the latest results show. Faces quite easy opponents here. 6 Hefner Am has started twice for the new trainer and galloped in both. When he is at his best he is good enough to fight for victory here. 11 J.S.Peaky Blinders scored four wins last season and is looking for that kind of form. Driven by Jepson this time.

4 Nouri di Quattro has started his career very well with two wins. Was not empty in the lead in the last run and will go for a similar race here. Top chance. 7 Maxihill Trot got a tough final 800 meter in the last run and scored a good sixth spot. He could fight for a place again. 6 Sunset Sky had been a non-starter before the last run and should be better now. He could be in the mix here. 3 Earnest is not reliable but has good capacity when he avoids a mistake.

11 Global Caps was defeated for the first time in the last run after five straight wins before that. Put in a good effort though and despite this back row draw over the short distance he should have a good chance. 9 Madison Fair was the last horse on the far stretch in the last run but finished strongly. In the mix again. 8 Miss Jibe was not empty when he galloped in the last run. Poor number but she should be considered early anyway. 6 Capital T. Franklin has not won yet but is quite fast and will be driven by Magnus A Djuse this time. Outsider.

4 Northman Maxus is our pick in this open race. He has not started since the middle of June but uses to meet quite tough four-year-old horses. 3 Oh Ah Kennedy is a bit up and down but when he is at his best he has good speed for this kind of races. He should fight for victory. 5 The Pirate won eight out of 16 races last year. First start for a new trainer now and has to be followed in the warming-up. 10 Ängens Starman is consistent and good. Jepson now and will defeat many opponents at the end.
