**14 Eldfell** gets the tip in this very open race. The three-year-old has started well and will face easier opposition now. Tricky number and driven by the trainer this time though. **5 Googoo June** is better than the latest results show. Scored a good win in June and is driven again by Jorma Kontio. Gets an offensive run? **4 Amazing Allan** is driven and trained by Peter G Norman. Has two runs under his belt and can open quickly. **11 Skilling Blanco** competes often and is quite consistent. Could get a good start from this lane and is one of many contenders.

## RANK

**2 Gulliga Re** gets the tip in this coldblooded race. Has shown brilliant form towards the end and should have a good trip from here, maybe even the lead. **1 Brenne Maja** comes from two straight wins at Hoting and Oviken. She will face a bit tougher horses now but is a quick starter and our close favorite for the lead. **3 Lill Svarten** is in good form and has a nice lane too. Early contender together with Rikard N Skoglund. **12 Birger W.** took a superior and sensational victory in the last race despite a gallop. Mats E Djuse now but has a poor lane over this short distance.

### RANK

**3 Guided Tour** gets our pick in this open race. Won with Mats E Djuse in early May and is our favorite for the lead from this nice lane. **5 Rosi Tooma** has only one win in 26 starts but is not that bad. Comes from a third place and is now driven by Rikard N Skoglund. **9 Global Evergreen** had a pretty good season last year and is probably one of the better horses in this race. Has galloped in both races this year. Contender. **12 Granns Lady** has been really good this year. Won for Petter Lundberg in June and comes from a good effort with the same driver as third. Hoping for quick pace.

### RANK

**4 No Doubt Boko** is our winner in another open race. He has shown quite good form towards the end and got a nice lane. Mats E Djuse is driving this time! **2 Krystal Cass** took a sensational win at Örebro in May and has done quite well since then. Excellent position and has to be considered. **10 Arrabrigiant** has won two races from the lead this year. Will have to attack from behind this time but is still an early choice here. **9 Ziva Bris** is worth a warning. Has not won yet after 18 races but is often driven cautiously and has had energy left at the end. Gets a defensive trip again here.
