RACE 1, V4-1

Auto 2080

5 Strong de la Hoya faced a handicap in the last run and got a poor start but did alright at the end. He was matched against quite tough horses this summer. Our pick. **9 Dionysos L.I.** is consistent and good but does not win very often. Early contender here but needs some racing luck with this number. **4 Lasses Tara** has finally got a nice number. Could take the first win of the season with the right journey. **3 Zajron Spritz** galloped in the first turn in the last run. Did alright in the lead in the race before. Outsider.

6 La Coquette Zon is our winner. She comes from two good performances and before the last run she had been a non-starter. Jepson this time is interesting too. **11 Lady Vici** is the main challenger but this number is poor. She took over the lead after 600 meter in the last run and won easily. **10 Uberty Face** has not raced for a couple of months. With the right trip from the back she could defeat many opponents at the end. **2 Ingrid C.** has one run under her belt after a long break. Nice number and she should be improved.

1 Wilma Weeny has done well so far and scored two wins in six starts. Is well drawn here and our pick in this open race. 6 Caspian C. is consistent and good. She should reach a nice position directly with the right start. Has to be considered early. 2 Jacky B. needed the last race after a long break. Is good for this class and a contender too here. 3 Pontiac has not raced since the autumn of 2021. Is gifted and has to be followed directly after the break.

4 Funny Sensation did alright in the last run and finished fast in a new record. Faces nice circumstances here. Our pick. 9 Ca' Belli V.W. gave up from outside the leader in the last run. Won the race before and looked nice. Early choice with the right journey. 1 Timotejs Mona is chasing the first win. Will find it hard to reach the front here but is an early contender if she finds room in time. 3 Dr Evil was not at his best in the last race on Bergsaker. Nice number here and faces quite easy opponents.
