RACE 1

AGRI DAY AT HUNTINGDON RACECOURSE 10 NOVEMBER
AMATEUR RIDERS' HANDICAP CHASE (5) 5yo+ (Rated
0-100) £7,500 2m7f129y (4740 Metres)

Going: **Good (Good to Firm in places on Hurdle course)**

The course is a right-handed oval with easy bends, and is a flat, fast track about one and a half miles in length. There are nine fences to a circuit, some of them rather tricky, and the water jump was filled in during summer 2008, astroturf replacing the water. Huntingdon favours horses with speed over stamina, sluggards seen to best advantage only under extremely testing conditions.

Pace Information: **Weak**

1	ANYTRIXWILLDO (IRE) (11) F4224-663 8 12-0 76.2kg  Mr James King Encouragingly started the year in good form but ran poorly in May/June. However, after a break he ran one of better races when third of 5 at Newton Abbot (3¼m) 11 days ago. Task is now to build on latest effort.	b	97
2	MAJESTIC MOMENT (IRE) (25) 411-U26P3 7 11-12 75.3kg  Mr Henry Moore (7lb/3kg) Scored 3 times switched to chasing last season and good second at Fontwell (19f) in May. Possibly unsuited by the track when running poorly twice at Worcester and was returning from 3 months off when third of 6 back at Fontwell 25 days ago. Could be in the mix up in trip.		95
3	JIMMYJEROO (16) 1/234342-6 8 11-12 75.3kg  Mr P. W. Mullins Ran well without managing to win last season, beaten only by one on a much reduced mark at Hereford (21f) on final start of the campaign. Shaped as if needing the run after a year off when sixth of 9 at Worcester 16 days ago, so he's a major player with jockey booking catching the eye.	★	100
4	FELTON BELLEVUE (FR) (192) (D) 53313254- 11 11-7 73.0kg  Mr Charlie Case (3lb/1kg) Capitalised on a falling mark when scoring at Plumpton (3¼m) in February. Close second over the same C&D in March but below form on final 2 outings of the season. Others more persuasive after 6 months off.	b+t	97
5	JACK'S A LEGEND (11) 8/33-7403 11 11-6 72.6kg  Miss Imogen Mathias (5lb/2kg) Without a chase success in 7 starts, but having rejoined former yard he ran respectably after 12 weeks off when third of 7 in handicap at Stratford (23f) 11 days ago, though did tend to hang left. Has dropped further in the weights since.	t	99
6	BOYS OF WEXFORD (175) P52UP41-P 9 11-3 71.2kg  Mr Sean O'Connor (3lb/1kg) Isn't the easiest to catch right but benefited from the switch to a visor when winning at Taunton (23f) in April. However, failed to repeat that effort having been ridden less forcefully than usual when pulled up at Fontwell the following month. Absent since.	v	95

BETTING FORECAST:

5-2 Jimmyjeroo, 7-2 Anytrixwilldo, 9-2 Majestic Moment, 6-1 Jack's A Legend, 8-1 Felton Bellevue, 8-1 Boys of Wexford

TIMEFORM VIEW:

JIMMYJEROO finished a good second at Hereford on his final start last season and, with his reappearance run behind him, he is fancied to get back to winning ways with Patrick Mullins booked for the ride. Majestic Moment could be next best on the back of his recent outing, ahead of Anytrixwilldo.

Going: **Good (Good to Firm in places on Hurdle course)**

The course is a right-handed oval with easy bends, and is a flat, fast track about one and a half miles in length. There are nine fences to a circuit, some of them rather tricky, and the water jump was filled in during summer 2008, astroturf replacing the water. Pace Information: **Very Weak**

1	CELINE MAN (IRE) (15)	75
	P8-7 8 11-4 71.7kg J. R. Jenkins <i>Robert Dunne</i> Pulled up both starts in 2024 for Henrietta Knight before missing last year. Hasn't offered much in 3 outings for current yard since returning from his lengthy absence, tailed off at Southwell 15 days ago on this season's reappearance.	
2	CURRENT EDITION (IRE) (24) (BF)	100
	532-2 5 11-4 71.7kg Nigel & Willy Twiston-Davies <i>Sam Twiston-Davies</i> In need of experience in a pair of bumpers, before making a promising hurdling debut when just denied in a Ludlow novice (2m) in March. Ran to a similar level after 6 months off when second of 7 in maiden at Uttoxeter 24 days ago and he's the one to beat up in trip.	
3	PREMIERE LIGNE (FR)	84
	7 11-4 71.7kg Hughie Morrison <i>Tom Cannon</i> Fairly useful on the Flat, making all in the Cesarewitch Trial at Newmarket (2¼m) last month but finding it tougher to repeat the same tactics in the main event 18 days ago. One to note given his ability on the level, with tongue strap retained.	
4	SCOTTO (IRE) (131)	90
	11 5 11-4 71.7kg James Owen <i>Jonathan Burke</i> Strong at the line when making a winning debut in bumper at Plumpton (2¼m) in May and defied a penalty in 6-runner event at Market Rasen (17f) the following month. Interesting hurdling debutant as he returns from 4 months off.	
5	SEAMY APPLETART (IRE) (11)	80
	0525 4 11-2 70.8kg Nick Scholfield <i>Harry Reed</i> Didn't show much in 2 bumpers but fared better sent hurdling when runner-up in a Down Royal maiden (2½m) in August. However, making first run since leaving J. G. Cosgrave he pulled too hard upped to 2¾m when fifth of 7 in maiden at Stratford 11 days ago.	
6	WHAT'S YOUR GAME (IRE)	79
	4 11-2 70.8kg Georgina Nicholls <i>Lorcan Murtagh</i> Useful form at best on the Flat, winning a Cork handicap last spring (1½m) before runner-up in listed race at Navan (13f). However, he went the wrong way in a trio of handicaps this year. Off 4 months ahead of going hurdling on first run since leaving Robson de Aguiar.	

6 DECLARED RUNNERS

BETTING FORECAST:

11-10 Current Edition, 11-4 Scotto, 11-2 Premiere Ligne, 11-1 Seamy Appletart, 16-1 What's Your Game, 100-1 bar

TIMEFORM VIEW:

CURRENT EDITION has shown promise when finishing second both starts over hurdles so far, leading until after the last at Uttoxeter on his return, and he could be ready to go one better for his in-form yard. Scotto is feared most having won both of his outings in bumpers, with Premiere Ligne also considered.

Pace Information: **Very Weak**

1	THAT'S NICE (IRE) (33)	s	98
	52P-33418 6 12-0 76.2kg Nicky Henderson <i>Harry Cobden</i> Quirky sort who benefited from a good ride when winning on return to hurdles at Worcester but no response back up in trip there last month.		
2	PORTER IN THE PARK (IRE) (53) (C)	★	100
	33329-3P6 9 11-11 74.8kg Emma Lavelle <i>Cameron Johnstone-Baker (7lb/3kg)</i> Course winner who looked very rusty at Stratford after 3 months off. Expected to be sharper now and she was competitive off higher marks this time last year.		
3	QUEENS VENTURE (IRE) (54)		97
	113P-4225 6 11-10 74.4kg Dean Summersby <i>David Noonan</i> Four-time winner for Dan Skelton. Patchy record for current yard, beaten by more than a 3-month absence when well held at Worcester. May at least benefit from the step back up in trip.		
4	BACK IN THE BAY (IRE) (36)	s+t	99
	213-752P4 7 11-2 70.8kg James Owen <i>Jonathan Burke</i> Scored twice at up to 2½m over hurdles last summer. Back to form when second over hurdles at Worcester (23f) in August but looks one with problems suddenly judged on next 2 efforts. Has since had second breathing operation and tongue strap back on.		
5	BELLA CIVENA (IRE) (412)		98
	1- 7 11-2 70.8kg Henry Daly <i>Sam Twiston-Davies</i> Proved she retains all of her ability in justifying support on her first start for 17 months/since leaving Harry Derham at Uttoxeter last autumn but off again since and market should be telling once again. Up in trip.		
6	BETTY'S TIARA (15)	v+t	98
	46-798152 8 11-1 70.3kg Ben Pauling <i>Ben Jones</i> Caused a surprise under an enterprising ride at Worcester in August and confirmed she's back in form since, second of 4 at Hereford 2 weeks ago.		

6 DECLARED RUNNERS

BETTING FORECAST:

7-2 Bella Civena, 4-1 That's Nice, 9-2 Back In The Bay, 9-2 Betty's Tiara, 5-1 Porter In The Park, 12-1 Queens Venture

TIMEFORM VIEW:

PORTER IN THE PARK should be sharper now and she's well treated if coming back to last season's form. Most of her rivals have something to prove but likely front runner Betty's Tiara at least arrives in decent heart.

Pace Information: **Very Weak**

1	FINAL SURPRISE (IRE) (165) (D)	94
	5 12-0 76.2kg Alastair Ralph Fair form in bumpers and made a winning start to his hurdle career in 2m Uttoxeter novice in May. Found out under a penalty in a better race there a fortnight on though, and now goes handicapping from what looks a stiff opening mark.	<i>Ciaran Gethings</i>
2	GALLIVANTED (FR) (18) (D, BF)	96
	4 11-13 75.7kg Harry Derham Changed hands for 70,000 gns and landed a Musselburgh maiden hurdle in February and back on the up when third on handicap bow at Ascot. Doubled his tally on the level at Goodwood in May and shaped as if needing the run back in this sphere after 5 months off at Chepstow recently. This is easier.	<i>Paul O'Brien</i>
3	CAELAN (IRE) (11) (D)	98
	5 11-12 75.3kg Sarah Humphrey Won 2m maiden hurdle at Worcester last September and in the frame several times after for Olly Murphy. Virtually refused to race on the Flat during the summer but showed promise on first outing for new stable after 3 months off when third of 6 at Market Rasen (17f) recently.	<i>James Bowen</i>
4	ZAFaan (IRE) (54) (D, BF)	97
	6 11-11 74.8kg Charlie Clover Hold-up performer who finally broke his duck in this sphere in 2m handicap at Worcester in September and barely needed to come out of second gear to follow up back on the level at Wolverhampton. Latest run probably best overlooked having proven too free under an amateur. Remains of interest.	<i>Harry Cobden</i>
5	TAKEIT EASY (11) (CD)	90
	11 11-9 73.9kg Pam Sly Veteran who is on a long losing run but probably needed his comeback run at Market Rasen 11 days ago. This will reveal more.	<i>Jack Andrews</i>
6	SERAPHIC (IRE) (11)	100
	6 11-3 71.2kg David Killahena & Graeme McPherson Recorded a first hurdles win on these shores after 6 months off in 7-runner handicap at Stratford (19f, good to soft) 11 days ago, suited by the emphasis on speed but doing well to come from last all the same. Looks capable of defying a 6 lb higher mark.	<i>Kielan Woods</i>
7	AL MOOTAMARID (IRE) (11)	99
	5 11-0 69.9kg Ryan Hatch Fair 1¼m Flat winner who opened his account in this sphere at Worcester (2m) in June 2025. Mostly respectable efforts since, including when 8¾ lengths fourth of 7 to reopposing Seraphic at Stratford (19f) on most recent outing, needed stronger gallop. Not taken lightly in a first-time visor.	<i>Robert Dunne</i>
8	BLACKWATER LILLY (36)	97
	6 10-11 68.5kg Neil King Sole hurdles win came for Brian Ellison at Bangor in May 2025. Shaped as if still in good form when fifth of 6 at Warwick (19f) on most recent outing, though flattered to deceive all the more. Cheekpieces back on.	<i>Jack Quinlan</i>

8 DECLARED RUNNERS

BETTING FORECAST:

7-2 Seraphic, 4-1 Zafaan, 11-2 Gallivanted, 8-1 Blackwater Lilly, 9-1 Final Surprise, 9-1 Takeit Easy, 10-1 Al Mootamarid, 11-1 Caelan

TIMEFORM VIEW:

SERAPHIC was suited by the emphasis on speed when recording a first hurdles win on these shores at Stratford recently, but he still did well to come from last and looks capable of defying a 6 lb higher mark providing this doesn't come too soon just 11 days on. Gallivanted should strip fitter for his recent run and make more of an impact in this weaker affair, while Zafaan shouldn't be judged too harshly on his latest effort on the level and remains of interest back over hurdles.

HOSPITALITY AT HUNTINGDON RACECOURSE NOVICES' HANDICAP HURDLE (5) 3yo+ (Rated 0-100) £7,000
1m7f171y (3170 Metres)

Going: **Good (Good to Firm in places on Hurdle course)**

The course is a right-handed oval with easy bends, and is a flat, fast track about one and a half miles in length. There are nine fences to a circuit, some of them rather tricky, and the water jump was filled in during summer 2008, astroturf replacing the water. Pace Information: **Even**

1	DUNSTALL STAR (21)	h	
	61-F254 5 12-0 76.2kg Tom George <i>Mr Harry O'Dwyer (71lb/3kg)</i> Confirmed debut promise when getting up late in slowly-run Exeter bumper. Runner-up to a Skelton hotpot on first completed start over hurdles at Warwick and shaped as if back in form following a breathing operation when fourth in a recent Sedgefield novice (17f). Hood on for handicap debut.		
2	THEPASSINGCYCLONE (25)		91
	56-U53 6 11-13 75.7kg Dominic Ffrench Davis <i>Harry Cobden</i> Lightly-raced 6-y-o who took a big step forward when third of 11 in novice hurdle at Fontwell (2¼m, good to soft) 25 days ago. Into handicaps now and needs more again.		
3	KNIGHTON (20)		★ 100
	8442-23 4 11-13 75.7kg Oliver Greenall & Josh Guerriero <i>Jack Tudor</i> Ran to fairly useful level sole start on Flat (1½m). No match for a fairly useful prospect on handicap bow at Ludlow. Loomed up before being worried out of it by a more experienced one in a match at Huntingdon (2m) in May and showed up well for a long way again on his recent return at Market Rasen.		
4	TAZMAN DAN (IRE) (24)	h	65
	657-44 5 11-10 74.4kg Stuart Edmunds  <i>Charlie Hammond</i> Showed a bit on the middle of 3 runs in bumpers in Ireland and also caught the eye second time up over hurdles in a first-time hood when fourth of 7 in 2m Uttoxeter novice 24 days ago, making late headway. Has been handed a stiff-looking mark but strikes as one with more to offer all the same.		
5	CALIBOS (21)	s+t	97
	4-33 4 11-6 72.6kg Jo Davis <i>Gavin Sheehan</i> Fair 1¼m Flat winner who showed an aptitude for hurdling when fourth of 8 at Huntingdon in early-March. Fared best of the also-rans without progressing from that initial effort at Market Rasen in May and made more impact sent handicapping when third at Worcester (2m) 3 weeks ago. Respected.		
6	ZARAQUELLE (FR) (15)	t	98
	42-2 4 11-4 71.7kg James Owen  <i>Jonathan Burke</i> Little impact on Flat for Ed Dunlop but opened her account with plenty in hand at Wolverhampton in July. Failed to translate that improvement back to hurdling when second in 2½m Hereford handicap recently, though it remains early days in this sphere.		
7	NORTHERN ROSE (IRE) (24) (D)	s+t	93
	9221734F 6 10-9 67.6kg Gary Hanmer <i>Joe Anderson (31lb/1kg)</i>  Twice a runner up at Stratford prior to belatedly opening her account in an 11-runner handicap at Uttoxeter (2m) in July. Has run creditably on 2 of her 3 completed starts since and should remain competitive.		
8	PAPA OSCAR (134)	h	71
	P6-56 4 10-6 66.2kg Clare Hobson <i>Dylan Johnston</i> Limited on the Flat and has yet to offer much encouragement over hurdles, faring little better than previously switched to a handicap at Stratford on final outing in June.		
9	NO MEAN FEAT (IRE) (25)	s	95
	3/4P46-416 7 10-4 65.3kg Simon Hodgson <i>Harry Reed</i>  After 5 months off (had a breathing operation), took advantage of his much reduced mark when winning 9-runner handicap hurdle at Fontwell (2¼m) in September. Ran no sort of race back there last time, though.		

9 DECLARED RUNNERS

BETTING FORECAST:

4-1 Zaraquelle, 9-2 Calibos, 5-1 Knighton, 6-1 Dunstall Star, 10-1 Northern Rose, 10-1 Thepassingcyclone, 12-1 No Mean Feat, 14-1 Tazman Dan, 33-1 Papa Oscar

TIMEFORM VIEW:

KNIGHTON showed up well for a long way on his return from 5 months off at Market Rasen recently and is put forward as the answer from the same mark, given he's entitled to strip fitter for the outing and remains relatively unexposed. Calibos and Zaraquelle may also have their best days as hurdlers ahead of them, so they are feared most.

1	CLAP OF THUNDER (IRE) (306) (BF)	98
	41533/43- 6 12-1 76.7kg Nigel & Willy Twiston-Davies  <i>Sam Twiston-Davies</i> Won 2m Ascot novice this time 2 years ago. Hasn't done much wrong in 4 subsequent starts, including when third on chase bow at Market Rasen on Boxing Day. Off since but he's open to improvement in this sphere and yard remain in good form.	
2	KRAK (FR) (15)	93
	0P-243225 6 11-13 75.7kg Dan Skelton <i>Tristan Durrell</i> Winning hurdler in Ireland who is getting the hang of things over fences from an easing mark, finishing runner-up for the second start in a row at Bangor. Quickly back chasing now having struggled back over hurdles next time. Change of headgear.	
3	CUBAN COURT (IRE) (197) (C, D)	98
	1/4616114- 8 11-13 75.7kg Neil King <i>Jack Quinlan</i> Took very well to chasing last season, winning 3 (all at Doncaster) of his first 4 starts. Disappointed off revised mark at Market Rasen on final start but worth another chance. Usual headgear left off.	
4	IT'S TOP (FR) (209)	92
	177/21P5- 6 11-11 74.8kg Oliver Signy <i>Gavin Sheehan</i> Didn't kick on in bumpers following debut success, and having made a bright start over hurdles, it's been a similar story in that sphere, though did fare a lot better on second handicap start at Chepstow when last seen in the spring. Has had second breathing operation. Makes chase debut.	
5	LEGAL WEAPON (GER) (186)	90
	90/232440- 6 11-11 74.8kg Ben Pauling <i>Ben Jones</i> Bumper winner on debut. Made the frame first 5 starts over hurdles but often found little for pressure and was tailed off on his handicap bow when last seen in April. Has since had a breathing operation. Makes chase bow.	
6	NAZARE (FR) (141) (C)	100
	411F96-31 6 11-11 74.8kg James Owen  <i>Harry Cobden</i> Landed back-to-back handicap hurdles in November last year and left chase debut well behind when making all in 4-runner event at Southwell in June, thanks largely to a much sharper display of jumping. Makes more appeal than most.	
7	SOPRAN THOR (FR) (621) (CD)	90
	P/ 11 11-9 73.9kg Louise Allan <i>Murray Dodd (5lb/2kg)</i> Hasn't shown much in this sphere nor between the flags since coming home alone in a 21f selling handicap at Fakenham in April 2023. Off 20 months.	
8	SCAVENGERS REIGN (IRE) (230) (D)	96
	33/2U3130- 6 11-8 73.5kg James Owen  <i>Jonathan Burke</i> Justified heavy support against her own sex in maiden hurdle at Wetherby on Boxing Day. Shaped quite well on handicap at Doncaster next time before out of her depth at the Cheltenham Festival. Likely to make a chaser (placed on sole outing in Irish points) and returns with yard in good form.	
9	FIGHTING FALCON (IRE) (21) (D)	91
	08/95P-1P6 5 11-2 70.8kg Stuart Edmunds  <i>Charlie Hammond</i> Ex-Irish who showed a lot more fitted with headgear when making a winning start for this yard at Uttoxeter over hurdles in May. Ran no sort of race next time before shaping as if needing run at Worcester. Change of headgear on chase bow (third in 2 points) but may prove best on a left-handed track.	

9 DECLARED RUNNERS

BETTING FORECAST:

10-3 Nazare, 4-1 Clap of Thunder, 9-2 Cuban Court, 6-1 Scavengers Reign, 9-1 Krak, 12-1 It's Top, 18-1 Fighting Falcon, 28-1 Legal Weapon, 40-1 bar

TIMEFORM VIEW:

CLAP OF THUNDER failed to justify favouritism on his chase bow at Market Rasen when last seen on Boxing Day, but it was still an encouraging effort, so he gets the vote with progress likely and his yard in good form. Nazare jumped much better when scoring on his second chase start at Southwell so is another to consider, while Scavengers Reign is an interesting newcomer over fences.

	Alex Hales	Toby McCain-Mitchell (3lb/1kg)	
	Is bred to need time and distance and offered little when last of 4 in bumper at Fakenham (2m, soft) on debut in January. Hood now applied.		
2	TOMMY TIPA (175)		94
5	5 11-2 70.8kg		
	Sara Bradstock	Jack Tudor	
	Frammassone gelding who was hooded for debut and showed a bit of promise despite not being seen to best effect (carried right over 1f out) when fifth of 9 in 2¼m bumper at Fontwell in early-May. May build on that.		
3	INDIZA (IRE) (15)	t	80
8-3	4 11-1 70.3kg		
	Stuart Edmunds	Charlie Hammond	
	Had already had a breathing operation and was quite prominent in the betting but finished tailed off at Market Rasen on debut last October and fared little better fitted with a tongue strap at Hereford a year on.		
4	KAUTO LINE (FR)		
	4 11-1 70.3kg		
	Harry Derham	Paul O'Brien	
	£40,000 3-y-o, £45,000 4-y-o, Bathyrhon gelding. Half-brother to fairly useful hurdler/chaser Bal Kauto. Placed on last of 4 starts in Irish points (May 2026) and would enter calculations if the market speaks in his favour.		
5	MOSSY MOON (IRE) (159) (BF)		95
4	4 11-1 70.3kg		
	Alan King	Tom Cannon	
	€50,000 Vadamos gelding who was well backed and produced a promising first effort when fourth of 10 in 2m bumper at Worcester (good) in May. That form has taken a few knocks since, but he's entitled to improve nonetheless.		
6	PERSIAN ART (IRE) (23)		99
2	4 11-1 70.3kg		
	Henrietta C Knight	Gavin Sheehan	
	€23,000 Old Persian gelding who made an encouraging start to his career when second of 8 in 2m bumper at Stratford earlier in the month, keeping on final 1f after being bumped over 1f out. Yard continues in good heart and is a leading contender on form.		
7	SEEDLING (207)		97
1-	4 11-1 70.3kg		
	Ben Clarke	David Noonan	
	Planteur filly who did well to overcome both greenness and the run of things to catch a previous winner late on in a steadily-run bumper at Newton Abbot on her debut in early-April. Warrants respect under a penalty.		
8	ARM'S OF AN ANGEL (IRE) (189)		100
5-	5 10-9 67.6kg		
	David Killahena & Graeme McPherson	Kielan Woods	
	€5,500 Getaway mare who still held every chance when carried out on her final outing in points and showed some of that promise switched to a bumper when fifth of 14 at Ludlow (2m) in late-April, going third over 1f out and losing 2 places close home. Good chance if building on that effort.		
9	AUNT GALLIE (IRE) (210)		
8-	5 10-9 67.6kg		
	David Killahena & Graeme McPherson	Nick Slatter (3lb/1kg)	
	Jet Away mare who was cheaply bought considering her pedigree and achieved little on her debut at Southwell in April.		

9 DECLARED RUNNERS

BETTING FORECAST:

11-4 Persian Art, 9-2 Seedling, 5-1 Mossy Moon, 11-2 Arm's of An Angel, 13-2 Kauto Line, 12-1 Tommy Tipa, 22-1 Indiza, 66-1 bar

TIMEFORM VIEW:

A bumper featuring a few closely rated on Timeform pre-ratings, with ARM'S OF AN ANGEL edging the vote after making an encouraging enough start under Rules when fifth at Ludlow back in late-April, her yard having also sent out a tidy winner in this sphere earlier in the month. Persian Art and the penalised Seedling head the dangers in that order.
