9 Windmill Jam is promising and has started with two wins in four starts. Has convinced a lot, especially in the last two runs. Hard to beat. 5 Head over Heels galloped after 500 meter in the last run and never had a real chance after that. Has good speed. 1 Fairplay can open fast and could find the lead here together with Per Nordström. Should not be overlooked. 2 Dubbio Amletico has been up and down so far but is fast and this number is perfect.

3 Hollywood Trick kept up the pace well from far back in the last V75 race. Easier now and better number too. Our pick. 10 Loveley Lasse scored an outstanding win two starts back and comes from a strong second spot. Early choice in case of quick pace. 1 Cissi af Solnäs can open fast and will certainly reach a nice position. Should be considered early both in the lead or from behind. 9 Finndals Chasseur is a lot better than the latest results show. Outsider here.

9 Cassiopea Font has impressed lately and despite this number over the short distance the horse should have top chance again. Banker. 5 Cerna Solero galloped twice in the last run and we forget that start. Put in a couple of good efforts before that and is the main challenger. 1 Havana Sotto is a quick starter and will go for the lead with this number one behind the gate. Possible behind the favorite. 11 Ginger Peachy can put in a strong final lap and is possible here in case of quick pace.

7 Brivido Roc galloped from fourth on the outside with 650 meter to go in the last run. The stable was optimistic before that race. Our pick. 2 Pam Trot can open fast and is ideally drawn here. Could find the lead and has normally a good chance to win this. 11 Lumberjack Bros faces tough conditions and needs some racing luck. Possible with the right journey. Has good speed. 9 Muscle Man Boko has met a couple of strong opponents lately and become tougher. He is an early choice too.
