3 Neil Charisma comes back after a pause, but this is a really nice horse who has won four of five starts for Hans Crebas and if well prepared he should have a good chance here. **8 Stepping Honey** got a run under her belt in the last race and the mare will be even sharper now. **10 True North** was good when he won in August. He needs some racing luck from here and will be a contender in that case. **5 Jolly Good Pepper** can open fast behind the gate and from the lead he is the horse to beat.

9 Fuego Degato has won three of six starts. Makes an interesting first start for Maria Törnqvist here and should have the best chance to win this race despite this lane. **3 Dats Milian** is a quick starter and will normally take the lead. Is still without a win, but the first victory will come soon. **1 Game Stop** is good for this class, but also a bit tricky. In the mix without a mistake. **8 Mister Who** got locked in with energy left in the last race and has been a scratch after that but if he lives up to his capacity he can surprise.

3 Emothi got locked in last time with plenty of energy spared. Still without a win this year, but is well drawn and faces quite easy opposition here. He should have a good chance of winning. **5 Raffige Rune** got defeated by Olli Boko last time, who is currently in the V85. Easier now and should be seen as the main challenger to our pick. **4 Vikens Dobetter** has taken two of three wins from the lead and if he can get there he will be in the mix. **9 Jula Menuncio** galloped directly in the last race and is good for this type of race.

7 Swish The Cash was nice to watch in his debut for Robert Bergh and he scored a great victory. Owns very high capacity and will win the race if he does not gallop. **5 Take This Society** is back after a pause and for a new trainer - which is exciting. Early contender if well prepared. **9 Extremely Sweet** used the open stretch in the last race and won easily. Could cause an upset if the pace is high. **1 Kapucine D'Inverne** is consistent and could surprise from a nice starting position.

6 Woo Doo Doo Art galloped early in the last race but made a good recovery afterwards. He put in a good effort before that too and looks nice today. Our pick. **8 Felicia Hall** has won two races in a row. The mare is developing strongly and should not be overlooked despite this disappointing starting position. **1 Noblesse Brodda** can hardly keep up the inside lane but should be considered if she finds a gap at last. **7 Cornelia Palema** has quite good capacity and could cause a surprise with the right journey.

4 Ettore Ross won easily during the Stochampionat weekend. He has recharged the batteries now and although he may be a little short of top form he should have a good chance to win from this nice starting position. **6 Galaxy Love D.E.** scored a good win in the last race and is one of several contenders who can win this race. **1 Steel Panther** has not started since August, but from a perfect inner lane the five-year-old should not be discounted. **10 Jayden De Joudes** got defeated as a big favorite in the last race and is looking for revenge here.
