RANK

4 Young Anthony has scored a couple of good wins, especially two starts back when he won from the outside of the leader. He opened fast in his debut behind the gate last time and has a good chance to take the lead. **12 Laststarinheaven** has galloped a lot, but the horse is well-bred and matched against tough opponents. Much better than the latest results show. **1 Myrsjös Tage** comes from two starts in the V75. Back after a layoff now and is a quick starter. **7 Global Good Girl** scored a very strong victory. Too tough in the last race.

1 Holms Loke did not convince in the last race but is quite special and does not always fight for full from behind. The trainer is pleased and the horse will probably go for the front here. **3 Lill Alf** will certainly try to challenge from the start. He is also a quick starter and driven by a top driver from a good draw. He was very good earlier this autumn. **2 Hasli Tore** failed in the last race but sprinted to an easy victory before that. Top driver. **4 The Optandsprinsen** is consistent and good.
