**4 NY King Of The Kop** has galloped in two of three starts under the saddle. Sulky again now which the seven-year-old prefers. Nice task and our pick. **6 Icarus B.R.** did alright in the last race after a short pause. Better with that run under his belt and will challenge for the win. **7 M.H. Hot Cash** has a bad starting position but is fast enough to be in the mix. **2 Barnacle** has a nice starting position but should primarily be seen as a place bet.

**6 Nikki B.R.** galloped in the last race but had scored two good second spots in a row before that. Has the best speed in the race and will be hard to beat without a mistake. **7 Slopestile** did well in the last race after an early mistake and could be the winner if he avoids an error this time. **5 Girl Next Door** has done well after a pause and is approaching top form with three runs under his belt. **8 Mio Mattheo** won easily from the lead in the last race. Difficult draw now, but cannot be completely discounted.

**1 GG d'Asti** put in a strong effort in the last race and looks to be close to top form. Likes the short distance and if finds an opening he should have a good chance of winning. **6 Gambino** has the right attitude. He is going down a bit in class and is an early choice behind the favorite. **4 Quantum Tile** galloped in the last race but is normally reliable. Good starting position and should not be overlooked. **3 G.G. Ermita** has done alright but will find it hard to win this.

Should be considered early. **6 Bitcoin Face** is not bad and could be the winner here with the right trip. **1 Lady Gracia Heldia** has high capacity, but can easily gallop.
