10 Frozen A.F. won six races last year and has shown good form recently in Finland. Sprinted to an easy win in the last race and is our pick here. **1 Hjalmar Xpress** faces tough conditions here but should be should be considered early anyway. Earned the most money last year and should get a nice trip from here. **5 Fructose** is not that bad and has a good lane. Has five out of five from the lead but will probably find it hard getting there. Still an early contender . **8 Noble Ale** had a pretty good season last year and should not be forgotten despite this lane. Finished nicely to a second place two starts back.

7 Kiwi Sisu did really well last year and earned more than SEK 350,000. He is in good form and we expect him to be offensive from the start. **3 Lozano** is not entirely reliable but comes from a really good performance in V85. He galloped from the start but still finished second after a quick finish. Good lane. **12 B.Sacamano** is a stable companion to our pick and is this time driven by Mika Forss. He is coming off two good third places but this lane is tough. **4 Speed Matters** wins quite often and has been consistent and good at the end. Driven this time by Antero Heinonen which is a minus.
