**9 Bokono Garde** has put in great efforts for the new trainer and shows good strength. With two runs under his belt, she is also in good form and has shown that she is good from behind too. **1 Power Of Greenwood** failed in the last race. If he can just get back to what he showed before last time, he will normally be in the fight for victory. **10 Forzangelo** is good for this class and should be improved by that run under his belt. **3 D'artagnan Awec** is not reliable but looked improved as locked in last time.

**2 Shuffleboard** was matched in tough company as a 3-year-old and showed both good speed and high class. Nice task in the comeback as the starting speed is good. Two out of three wins were scored from the front. **1 M.T. Urus** has competed strongly for the new trainer and comes with fine form. Tight starts now is interesting, but this inside lane could be a trap. **11 Västerbo MagicMike** was very convincing when he won in a top time last autumn. Has good capacity when he is at his best. **5 Arianne** shows a lot of speed, but is up and down.

**5 Just Perfect Sisu** was second in the Norwegian Trotting Derby 2023, among other things. Owns good capacity and the efforts for the new trainer have been clearly decent. Faces nice conditions here. **8 Västerbo Tramp** has been matched in tough company in the V75 and done brilliantly this winter, especially when winning the Bronze division three races ago. **7 Express Cash** comes from victory despite a tough journey. Is strong and can do it tough. **11 Domenik Jet** struggles in the turns and from this position the horse needs some racing luck.

## RANK

**10 Franko M.R.** has shown by far the best capacity in this race and galloped on the way to a seemingly easy win over the home stretch last time. Should still be in good form and has top chance without a mistake. **4 Pellpers Mårten** shows good form, but has not won yet after 60 starts. It could be his turn now. **Juni Oscar** is a quick starter, likes the short distance and has taken two of three career victories from the lead. **12 Ymer Dox** is really good for this context. Will normally pass many horses.

**5 Supercharged** has finally been drawn to a good front lane. The five-year-old open fast and Lindegren will go for the front. Once there he is undefeated after five attempts and looks to have a good chance of improving his statistics. **2 Blinding Light** got a tough journey in the last race. Has a run under his belt, is a quick starter and enjoys the winter (three out of four). **9 Bengt** delivers at a high level most of the time and should have improved his form in the last race. **12 Dear Wise As** is very capable for this class but will return after a break.

Down in class now. **11 Denaro Nero** has been developed by a ridden race recently. Improved and fine form.
