Top chance to win. **2 Faks Odin** has been consistent and good during the winter. Third in a great time three starts ago. Interesting with a 20 meter advantage. **5 Grisle Tore GL** was second behind Stumne Fyr in the last race. Nice chance to score the same result here. **1 Ask Viktor** is strong and tough.

With the right journey, Frode Hamre's trotter is an early contender here. **5 Tayno B.B.** has two wins in a row. A bit tougher task this time. **2 Guitar Man E.P.** was good in the last race and won the last time driven by Eirik Höitomt.

4 Grand Design got locked in against much tougher opponents in the last race. Has a good chance of reaching the lead and once in that position he has shown enough capacity to win. **8 Napoleon B.R.** did well in the last race despite a poor number. Poor draw again, but is going down a bit in class. **10 Burt Lancaster** has quite good strength but he has not won for a while. Galloped in the final turn in the last race and would have finished in the top three without that mistake. **1 N.O. Boy** is ideally drawn here.
