6 The Flying Eagle was allowed to take over the lead in the last run and won comfortably. Several fast horses on the inside, but we expect the horse to reach the front here. **8 In Love D' ecajeul** is a horse with very high capacity. Without a mistake he can win from the outside of the leader. **5 Conch On Inn** makes his seasonal debut, but uses to do well after a break. Should be counted directly from a perfect draw. **2 Lincoln Abe Boko** will be dangerous if he reaches his favorite position, the lead, where he has won seven out of ten races.

9. SSG Torden Brage makes his seasonal debut. We really like what we've seen of him so far. He got the best draw from the Norwegians and should be allowed to take over the lead. **12 Gran Eld** is the main challenger, but he got a very poor draw. He showed a low 1.26-time last time at Bjerke, which is convincing. **3 Järvsö Karin** has good results in the lead where she won two out of three races. Will probably give away the lead here though. **7 The Båstadstjerna** has good speed and could be in the mix.

4 The Bandit is one of the better four-year-olds in Norway. Forget the last race when the horse was not fit. **7 Ca' Belli VW** showed really good speed resources last year. Is gifted and should be considered early. **2 Maxihill Trot** got a very tough race last time and gave up. From a perfect lane two he can reach a good position and finish fast in the end. **11 Imperial Wine** has been matched against tough opponents and uses to do well after a layoff.

6 Supernova Lyjam did well last time. Is very fast from the start and should have a good chance to find the lead. If she is allowed to set the pace, she will be hard to beat here. **14 Florio** is gifted and despite this poor number, he should be counted early on. **2 Nestor Schermer** failed from the lead last time, but will probably run barefoot for the first time - watch out. **9 Inferno Launcher** is really good every now and then and he has one out of one together with Carl Johan Jepson in the sulky.

2 The Lion showed high capacity as a three-year-old and is now making an interesting seasonal debut. He is fast from the start and will certainly go for the front from where he has taken two victories in three attempts. **4 Delon Grif** has done well most of the time, but last time he was not at his best and he was certainly not fit then. **3 Effective** won the seasonal debut but was not as good in the race after. **1 Pay Me** could be dangerous if he finds an opening in time.

2 Ramos scored a nice win in the lead in the seasonal debut but has galloped twice since then, which is a bit worrying. In any case, this lane is the right one and from here he has a good chance to find the lead, from where he is unbeaten after three starts. **4 Jazzlyne Exclusive** finished strongly last time and is in top form. **6 Balder Face** never had a chance in the V75 last time but faces easier opponents this time. **11 Perfect Score Ås** should not be overlooked despite this tricky draw.
