- 10. NIGHT OF THE OPERA** - A bit disappointing of late but has run well off this mark a couple of times and is capable of winning this race
- 11. ASTRACHEM** - Only win was in June 2021 but probably needed both runs this year and is capable of improvement. Might place

- 13. FLYLEYF** - Unreliable but did bounce back to win second time for the year in latest start. Carries a 3kg penalty but is not out of it
- 14. FEEL THE FEVER** - Has been in very good form of late over this distance. Carries a 3kg penalty for latest win and deserves respect

Summary : The drop in distance could suit RED TORCH (2) and he could pop up at decent odds. WASACHOP (3) struggled in some handicaps this year but did a lot better when second in a claimer last time out and could have a chance. VANILLE BLEUE (8) won twice last year and is better than what she has been showing of late. TCHORO (1) is always capable of earning some money in handicaps like this.

Summary : MACHITO (1) failed last time out and carries 66kg this time but if returning to the level of his two previous wins he can bounce back to score. RED CHARM (2) won nicely in handicap last time out and carries a penalty for that win but will be a lively danger. SANKA CHOP (3) has been winning over further but could contest the finish once again. L'OPEN (4) has been competitive off his mark but has yet to win a race.

- 1. PACIFIC BOY** - Fit and has been very consistent this year. Probably prefers it a bit further but should fight out the finish once again
- 2. LICEO** - Showed improvement with each run of 2022 and ended off with a nice win at Paul in November. Could need this run returning from a break
- 3. WUKHANN** - Fit and has been in good form. Won over this course and distance in penultimate start and is clearly not out of it
- 4. AVERSA** - Fit and is in good form of late. Probably better over a bit further but does have a winning chance in this line-up
- 5. PRECIOSITE** - Clearly in need of her only run of this year when seventh at Parislongchamp. Fitter now and should do a lot better. Place chance

- 8. UNE PERLE** - Has improved with each run and is coming off a nice win. This is stronger but is capable of following up

Summary : UNE PERLE (8) is heading the right way and seemed to win with authority last time out. It would not be a surprise were she to follow up. PACIFIC BOY (1) probably prefers a little bit further than this but is fit and in good form so will be a threat. The same can also be said about AVERSA (4). PRECIOSITE (5) fitter this time and is another among many others that are not out of it.

- 1. WING GIRL** - Disappointing last run and best recent form is on the PSF but has won twice on the turf and usually does well in claimers. Has a winning chance
- 2. MISS COSY** - Seems to have been anchored by penalty for latest win so has struggled in last two handicaps. Drops to a claimer and should make a bold bid
- 3. PAGES** - Kept to the PSF for many runs and both wins were on that surface. Distance suited and is capable of contesting the finish
- 4. SCORPIO** - Disappointing two runs this year. Has won over this course and distance last year and also won a claimer. Big chance
