Should have good chance of winning in that case. **3 Pete Baldwin** will be driven for the first time by Magnus A Djuse and barefoot is another interesting change. Goes for the front? **7 B.B.Amore** has good capacity but is not reliable. **6 Västerbo Pentax** has made two good races after his layoff and is getting better and better.

1 Gio Zack hasn't been convincing lately, but the stable is very pleased with him and with the right journey he has a very good chance of winning. **2 Lindy'sleadingman** looked nice in the last race a bit behind the winner and is in good shape. Normally opens fast and if he reaches the front, he can lead this all the way. **11 Paparazzi N.L.** is promising but this lane is poor. Will probably pass many horses over the home stretch. **7 Happy Pride** is possible too but needs some racing luck.

2 Overdrive Steel was very good in the last race when he took the lead. If he gets there again, he is the horse to beat, but he has to be considered regardless of position. **4 Any Given Sunday** was a very brave second in the last race after a very tough journey. He showed that he is in very good shape. Early choice. **7 Danville** can open really fast and has taken his wins from the lead. This short distance is perfect. **5 Bella Yankee** is in very good form and could get a nice journey from this post.
