5 Clodrique was not far behind last time as third after attacking early in the race. Tough and strong and likes the long distance. Should have a top chance. **1 Glazier's Vici** comes in top form but can hardly hold the inner lane - is still the main challenger to our pick. **7 Ängens Starman** is consistent and good and often in the mix. Has won two out of six over this distance but needs some racing luck to win this race. **2 Hard Center** is used to tough opposition. Good draw, but is primarily a place bet.

4 Reiremo Svarten followed the winner nicely in the last race to set a new record. Doesn't win very often, but this still looks like a nice task. Our pick. **9 Vimo Odin** is fast, but not reliable. The nine-year-old likes this distance and without a mistake he is good enough to fight for victory. **6 B.A.S.Philip** never had a chance from far behind in the last race. Makes his debut over the short distance which is exciting. **1 Finnskog Lizzie** has two wins in her career and both have been taken from the lead. The horse to beat from front.

2 Jacta Brick scored a good win in the last race and looks to be on the way up. Is in good shape and uses to put in a strong final lap. Our pick. **3 Call Of The Wild** is a quick starter and from a perfect starting position he normally takes the lead shortly after the start and will not be easy to beat from there. **8 Joakim Palema** won in his seasonal debut two starts back. Good for this company and should not be discounted. **12 Normal** has good capacity, but to win this race he needs the right backs and high pace.

10 Hvatt Rauen has won two of eight starts and should have the best chance to win this wide open cold-blood race. **1 Sjö Lilja** is not entirely reliable, but if she manages to hold the lead from here, she will not be easy to pass. **12 Norheim Prinsen** won easily two starts back despite an early gallop. Tough and strong and possible without a mistake. **5 Troll Blända** did well in the last race. Has two runs under his belt after a pause and will soon take the first win of the year.

9 Isabelle Ima has developed well and comes in top form. Tough and strong filly who should have a good chance of passing this field. **4 Hilarious Zet** is not that bad and if she handles this number from the start she is good enough to be in the fight for victory. **1 Vikens Tenbagger** is a quick starter and should have a good chance of reaching the front. Leads the race for a long time. **6 Black Magic** can open quite fast and should reach a nice position straight away. Probably barefoot now which is interesting.

10 Fanny Free has high capacity for this company and even though it is her seasonal debut, the six-year-old should have a good chance straight away. **1 Maradona B.R.** galloped in the last race and was not at his best. The form is hard to predict, but he is gifted and well drawn. Early choice. **5 Björn Palema** gave up in the last race after a trip from the outside. Quick starter and if he can find the lead, his chances will increase. **3 Occhio** has taken six of seven wins from the lead and has to be considered as well if he manages to get there.
