3 Kendrix is our pick in this very open race. Galloped in the last race but took two wins in a row before that. Good draw. **1 Leroy B.R.** won two out of three races last year and has been consistent and good this year. Excellent lane and is an early choice. **8 G.R.Tintin** took a nice win at the beginning of May and was second behind two good horses in the last race. Has to be considered despite this position. **6 Kickback** won in the last race and is in good form. Possible again with the right trip.

8 Broad Cody is our pick despite this poor starting position. Has won two of four races and is coming off a win. **2 Ares H.** has a much better lane. Was third behind our pick last time and is of course looking for revenge here. **9 Gentleman** is perhaps the best horse in this race but so far he has galloped in all three races. Early choice if he avoids a mistake now. **4 Quite Amazing** has been heavily backed but not really lived up to the expectations. One of many contenders.

3 Skeie Blesen won six races last year and has also shown good form lately. Comes from a nice second place and has got a good starting position. Our winner. **7 Allie Ö.K.** is an early challenger. Won the most money last year and has started really well this year too. A bit tricky number. **4 Lille Helge** won last year's final race and got a break after that. Run under his belt now and certainly on the way up. **1 Schufaks** has started quite well this year without winning. Will probably get a good trip from here. Outsider.

3 Nordstormen Ö.K. is our pick in this open race. Has shown good form towards the end and should get a nice trip from here. **1 Åsanyxa** is not reliable but has shown good speed. Was second despite a mistake two starts back and is an early choice. **2 Lens Mann** has won two of seven races this year. Met a bit tougher opposition in the last race and should be considered in this field. **11 Fjord Odine** has not won yet this year but is a little bit better than the latest results show. Hopes for quick pace in the front and is possible in that case.

1 Smedhelga has a nice task here. She has shown good form towards the end and will probably try to keep the lead here. Won't be easy to defeat then. **13 Gull Vilja** is a good opponent though. Has competed in Sweden recently and comes from a fourth place in the GS75. Two wins in a row before that. **14 Silke Sjarmör** won two starts back at Hagmyren and did very well then. Is quite consistent. **15 Ramstad Stjernen** earned the most money last year. Returns after a layoff now and has to be considered directly if well prepared.

5 Id Diamant took three wins in a row earlier this year. Came back from a break last time and showed great speed after an early gallop. Is ready to win again now. Good chance. **9 Maradona B.R.** is probably one of the best horses in this race. His form is a bit of a question mark but he will normally fight for victory. **6 Zero Hugs'n Kisses** was second last time ahead of our pick. Good form and an early choice behind our favorite. **4 Fanny Invalley** has done very well towards the end and she is also possible in this very open race behind our favorite.
