3 Stens Dealer comes back after a long layoff and for a new trainer. Nice number now and if he lives up to his capacity he should have top chance. **12 Vida Roc** was a bit slow in his comeback last time, but has a run under his belt now and is the biggest threat to our pick. **4 Monir Southwind** is a quick starter and normally takes the lead. Good enough to be in the mix. **1 Myrsjös Tage** looked nice in the last race. Is still without a win but has the form to score a victory soon.

9 B.W.Rally is strong and tough and the long distance he is testing for the first time now is probably an advantage. Our pick. **2 Pyseidon** followed well in the last race over this distance, finishing second. Not completely reliable, but good enough to fight for victory without a mistake. **13 Finnskog Zizu** has done well so far. Jorma Kontio now is interesting and the Norwegian guest should be followed. **14 W.M.Jerven** has two wins in a row. He faces a bit tougher competition now, but is still one of the better horses in the race.
