RACE 1

CORAL CHESTERFIELD CUP HANDICAP (2) 4yo+ £100,000
1m1f197y (1990 Metres)

Going: Good			Right handed, undulating. There are two bends; all races up to a mile and a quarter use the lower bend, and in excess of eleven furlongs use the top bend. Although there is a five-furlong run-in from the top bend, the turns and the pronounced downhill gradients make Goodwood essentially a sharp track, favouring handy types, particularly in the shorter-distance races. The five-furlong course is one of the fastest in the country, meaning speedy sorts often have an advantage. A notoriously tricky course, those held up regularly meet trouble in the straight, particularly when kept to the rail.		
Draw: Favours Low Pace Information: Very Strong					
1	7	BOLSTER (51) (D) 147211-44 5 9-12 62.6kg	94	 K. R. Burke  Pierre-Louis Jamin Four wins during a highly productive 4-y-o campaign, culminating in a Newmarket listed win in the mud at the beginning of November. However, he hasn't scaled the same heights in a couple of runs so far this season but will benefit from a return to this trip.	
2	11	NAQEEB (IRE) (17) 0200-6538 5 9-7 60.3kg	97		
 Julie Camacho		Ryan Sexton Smart handicapper who has made an encouraging start for this yard, running up to his very best when third of 18 in the Duke of Edinburgh at Royal Ascot (1½m). Not seen to best effect (needing stronger gallop) at York 17 days ago but possibly of more interest when returned 1½m.			
3	12	GREY CUBAN (18) (D) 1610-7921 4 9-7 60.3kg	96		
 Hugo Palmer		Oisin Murphy  Better than ever of late, bumping into Castle Cove at Chester prior to going one better in 7-runner handicap (10.3f) back there last time. Should go well again.			
4	2	SAVVY VICTORY (IRE) (25) (CD) 6541-4095 6 9-6 59.9kg	95	 S. P. C. Woods Produced a career best to end a losing run down in grade at Newcastle in December but yet to fire in 4 runs in 2025, including in a change of headgear at Sandown last time.	
5	9	SEE HECTOR (GER) (24) 437-26307 6 9-3 58.5kg	94		
 Jamie Osborne		Saffie Osborne Back to his smart best on third start for this yard when third in Group 2 at Meydan in March, though that wasn't the deepest race for the grade and ran no sort of race back in a handicap at York in May. Ran better at Sandown 7 weeks later without being able to show his best.			
6	16	SIR BUSKER (IRE) (24) (C, D) 1408-9802 9 9-3 58.5kg	97		
 William Knight		Brandon Wilkie (3lb/1kg) Course winner who has been cut some slack by the assessor and returned to form when second of 8 in handicap at Sandown (10f, good to firm) 24 days ago, running on. In the mix with a repeat.			
7	14	SHADOW DANCE (319) 3412/0213- 5 9-2 58.1kg	99	 Roger Varian  Jack Mitchell Progressive handicapper who landed a 12-runner event at the York Ebor meeting (1½m, good to firm) last August and acquitted himself very well from a 5 lb higher mark when third in the Mallard Stakes at Doncaster on final 2024 outing. Not seen since but that's rarely a concern for this yard.	
8	5	ANCIENT ROME (USA) (17) (CD) 74-709030 6 9-2 58.1kg	98		
 Charles Hills		Jamie Spencer Smart at his best, acquitting himself well in Group company last term. Started this campaign poorly but had been showing better signs again prior to running below form at York on most recent outing, so can't be dismissed back at Goodwood (won this race in 2023).			
9	1	MASOUN (FR) (31) (D) 611-04511 4 9-1 57.6kg	97		
 Joseph Patrick O'Brien		D. B. McMonagle Arrives in career-best form having landed back-to-back handicaps at Leopardstown (9f) and the Curragh (10f, good) in recent months. Not taken lightly in hat-trick bid.			
10	17	DEFIANCE (IRE) (53) 16/270-4 4 9-1 57.6kg	97	 Roger Varian  Silvestre De Sousa Winless since his debut in 2023 but shaped particularly well on his first run in nearly 12 months when fourth of 13 in handicap at Epsom (10.1f, good to soft, 11/2) 53 days ago, running on late having been asked a lot from his position. Should be sharper for that and one to take seriously.	
11	4	SILAWI (IRE) (41) (D) 03348-010 5 9-1 57.6kg	94		
 Hamad Al Jahani		James Doyle Had something of a mixed 2024 but strong in the betting after 5 months off/starting out for new yard when gaining a second career success in 6-runner handicap at Windsor (10f) on UK debut 23 days ago, having run of race. However, ran poorly under a penalty in Hunt Cup at Royal Ascot last time.			
12	6	TONY MONTANA (41) (D) 10335-220 5 9-0 57.2kg	98		
 Michael Bell		David Egan A dual 1m2f winner in 2024 who is building a really solid profile, runner-up on return at Goodwood and collared only late when filling same spot in class 2 York handicap (10.2f). Turned in a rare poor effort in first-time cheekpieces at Royal Ascot (1m) and is the type to bounce back quickly.			
13	18	ENGLISH OAK (12) 629-90602 5 8-13 56.7kg	97	 Ed Walker  Christophe Soumillon 2024 Buckingham Palace winner who turned in his best effort of the season from an easing mark when runner-up in 6-runner contest at Hamilton (8.3f) 12 days ago. This step up in trip not sure to suit, however.	
14	15	TAKE HEART (IRE) (81) (CD) 48106-966 5 8-11 55.8kg	98		
 David Menuisier		Kieran Shoemark Won this race last year from the same mark when trained by John Patrick Murtagh. Showed benefit of his reappearance when respectable sixth of 16 in handicap at Cork (10.4f, soft) in April and excuses at Chester the following month. Freshened up ahead of this repeat bid for new yard.			
15	3	JOLLY JACK TAR (40) (D) 313-1 4 8-10 55.3kg	98		
 John & Thady Gosden 		William Buick Much improved when resuming winning ways in 10-runner handicap at Chelmsford City (10f) 40 days ago, readily. Makes turf debut from 9 lb higher mark but remains totally unexposed after just 4 career starts.			
16	13	CASTLE COVE (IRE) (45) (D) 144-1 4 8-9 54.9kg	100	 William Haggas Debut winner at Leicester in May 2024. Not seen to best effect on his final 2 starts at 2 yrs and showed improved form when making a successful handicap debut in decisive fashion after 11 months off (gelded in interim) at Chester (10.3f, soft) in June. Open to further progress.	
17	8	WESTRIDGE (FR) (31) (D, BF) 3177-5212 4 8-8 54.4kg	98		
 John & Thady Gosden 		Billy Loughnane Quirky sort (has high head carriage) who got off the mark for the season in cosy fashion in 5-runner handicap (10f, good to firm, 9/4) at Windsor in June. Came a long way clear of the rest when runner-up back there (11.4f) last time and should continue to give a good account.			
18	10	SIMPLY SONDHEIM (IRE) (53) (CD) 694851P-0 6 8-7 54.0kg	97		
 George Baker		Hollie Doyle Took advantage of a drop in the weights when recording an eighth career win at Epsom (10.1f) in September. Suffered quite a bad injury when pulled up in the November Handicap on final 2024 start and shaped as if badly needing the run on last month's return. This should reveal more.

BETTING FORECAST:

5-1 Castle Cove, 13-2 Jolly Jack Tar, 10-1 Defiance, 14-1 Shadow Dance, 14-1 Masoun, 16-1 Take Heart, 16-1 Grey Cuban, 18-1 Tony Montana, 18-1 Ancient Rome, 20-1 Westridge, 22-1 Sir Busker, 22-1 Bolster, 25-1 English Oak, 25-1 Silawi, 28-1 Naqeeb, 33-1 See Hector, 40-1 bar

TIMEFORM VIEW:

DEFIANCE shaped notably well from a less-than-ideal position on his belated comeback at Epsom and gets the nod to build on that run and record a first success since his debut. Castle Cove is unproven on quicker ground but impressed when making a successful return/handicap debut at Chester and is open to further improvement, while Jolly Jack Tar remains unexposed after just 4 starts and should have no problem with the switch to turf based on his pedigree.

BETTING FORECAST:

TIMEFORM VIEW:

Having changed hands privately on the back of a win in one of the warmest early-season maidens, HUMIDITY improved again when landing the Chesham at Royal Ascot, proving well suited by 7f. That is just about the best form on offer so he's selected to bring up the hat-trick. Zavateri and Do Or Do Not dominated the July Stakes at Newmarket and both command respect, but a bigger threat may emerge in the shape of Dorset.

Eve Johnson Houghton

Charles Bishop

Going best from some way out when making a successful debut at Salisbury (6f) in June and confirmed that he's very useful when quickening clear to land 6-runner Group 2 July Stakes at Newmarket 3 weeks ago. Pedigree suggests 7f will suit and he's a big player, even under 3 lb penalty.

ANDAB (IRE) (42)

134 2 9-3 | 58.5kg

Joseph Patrick O'Brien, Ireland

D. B. McMonagle

Fine pedigree and looked a bright prospect when landing a 6f maiden at the Curragh in fine style. Pitched into Group 3 company back there 3 weeks later and ran really well when 1½ lengths third of 6 to Albert Einstein in Marble Hill Stakes. Fourth in the Coventry since and now goes up in trip.

DO OR DO NOT (IRE) (19)

0222 2 9-3 | 58.5kg

Ed Walker

Tom Marquand

Maiden but a useful one, runner-up in the Coventry (6f) at Royal Ascot, well positioned off the pace and stayed on to lead his group in the final 50 yards. Backed that up when length second to Zavateri in July Stakes at Newmarket and shouldn't be much between them again with 7f sure to suit.

€400,000 yearling, Wootton Bassett colt. Half-brother to 2-y-o 6f winners Neverstopdreaming and Art Design. Confirmed the promise of his runner-up effort on debut at the Curragh (7f) when landing the odds over the same C&D a month ago. Open to further progress for leading yard.

Foaled April 18. 42,000 gns foal, €50,000 yearling. Ghaiyyath colt. Closely related to 2-y-o 6f winner Natymar. Dam was a 1m winner. Knew his job when a commanding winner of a 6f maiden at Ffos Las a fortnight ago, showing excellent speed. Bred to stay 7f+ but bare form ordinary in context of this.

45,000 gns yearling, Kodi Bear colt. Dam, 7f/1m winner, half-sister to smart winner up to 1m Fallen Angel out of useful 2-y-o 7f/1m winner Agnes Stewart. Ignored in the betting in 5-runner maiden at Salisbury (7f) last month but knew what was required and got the job done. This is asking a lot.

Ulysses colt who had a host of subsequent winners in behind when making a successful start in 6f Newbury maiden (firm) in May, gamely making all. Brother to Holloway Boy, who won the Chesham in 2022, and he did likewise at Ascot last month, kept up to work. One to beat.

	Saeed bin Suroor	Christophe Soumillon		
	Won the 2022 Wolferton and made a most remarkable return to the track after an absence at Meydan this year, winning twice. Shaped as if amiss on first start in Europe since September 2022 at Longchamp but firmly back on track when third in Ascot Gold Cup, albeit ridden to pick up the pieces.			
2	1	FRENCH MASTER (IRE) (42) (C)	b	93
	911-211	4 9-12 62.6kg		
	John & Thady Gosden	 James Doyle		
	Well-bred individual who continues to go the right way, doing well to win handicap here (14f) before following up in good style in Copper Horse at Royal Ascot. Taking a big step up in class now but he's an exciting prospect who could well prove up to it.

	Aidan O'Brien, Ireland	Ryan Moore		
	Very smart performer who won Queen's Vase at Royal Ascot and Prix Chaudenay at Longchamp in 2024. Looked better than ever when making a winning return in Ormande at Chester and lost little in defeat when second in Ascot Gold Cup, clear of rest. The one to beat.

	John & Thady Gosden	 William Buick		
	Quickly progressed into a smart performer at 3. Solid reappearance second in the Winter Derby on return before excuses in Saudi Arabia. Resumed with a good second in 12f listed race here 7 weeks ago but this represents a significant step up in class and distance.			
5	4	SUNWAY (FR) (38)	b+t	94
	72430-354	4 9-12 62.6kg		
	David Menuisier	Oisin Murphy		
	Smart performer who finished runner-up in last season's Irish Derby and right back to that level when third in St Leger. Slow start to this season but looked back to his best fitted with headgear when fourth in the Hardwicke at Royal Ascot. Could benefit from this marathon trip.

	313212-34	6 9-12 62.6kg		
	John & Thady Gosden	 Robert Havlin		
	Very smart stayer who has his quirks but usually always runs his race, including when runner-up in this last year. Emphasis on stamina didn't play to his strengths in Ascot Gold Cup last time but this test will be more suitable.			
7	7	TRUESHAN (FR) (65) (CD)		96
	4314223-4	9 9-12 62.6kg		
	Alan King	Hollie Doyle		
	One of the leading stayers of recent years (won this in 2021). However, has been steadily on the decline for the last 2 years now and will do well to better last season's fourth in this.

	327-151	3 8-12 56.2kg		
	Aidan O'Brien, Ireland	W. M. Lordan		
	Justify colt who is firmly on the upgrade now. responding well to this headgear when a wide-margin winner of the Bahrain Trophy at Newmarket 19 days ago, shaping as if this marathon trip will suit. His handy weight-for-age allowance makes him a very interesting contender.

TIMEFORM VIEW:

SCANDINAVIA shot to near the head of the market for the St Leger after his dominant display in the Bahrain Trophy at Newmarket and, with a handy-weight-for-age allowance, he looks the value call over stablemate Illinois, who should find this test more suitable having been outstayed by Trawlerman in the Ascot Gold Cup. The exciting French Master has the profile of one who will develop into a leading Cup horse so needs considering, too.

8	9	REGAL ENVOY (IRE) (31) (D) s 96
	William Knight	<i>William Buick</i>
Enjoying a fine season and he bagged a fifth success of 2025 at Windsor in June. Just fifth of 7 in handicap at York (5f, good) 31 days ago but the type to bounce back quickly.		
9	1	ROSARIO (IRE) (17) (CD) s 97
	Roger Teal	<i>Jim Crowley</i>
Resumed winning ways over C&D in May but below par since, sixteenth of 17 in handicap at Ascot (5f, firm) 17 days ago. Still merits consideration back here though.		
10	19	ADRESTIA (24) (D, BF) 97
	Simon & Ed Crisford	<i>Oisin Murphy</i>
Took her form up a notch when bagging Palace of Holyroodhouse at Royal Ascot in June and backed it up with a solid fourth of 11 in Sprint Stakes at Sandown (5f, good to firm) 24 days ago. Can go well again.		
11	5	NIMITZ (SWE) (20) 96
	Henrik Engblom, Sweden	<i>Carlos Lopez</i>
Useful Swedish handicapper who has won all 3 starts this season at Bro Park, latest over 7f in July. Intriguing contender dropped back in trip.		
12	7	DREAM COMPOSER (FR) (11) (CD) s 99
	James Evans	<i>Archie Young (5lb/2kg)</i>
C&D winner who got back on the up when second of 5 in handicap at Pontefract (5f, good to soft) 11 days ago. Not taken lightly off an unchanged mark.		
13	4	PADDY'S DAY (IRE) (17) (D) 96
	Nigel Tinkler	<i>Alex Jary (5lb/2kg)</i>
Started 2025 with a four-timer at Newcastle and added another victory there in June. Not best drawn when a solid eighth of 17 in handicap at Ascot (5f, firm) 17 days ago and he can't be ruled out.		
14	16	ZIGGY'S MISSILE (IRE) (28) (D) s 95
	Robert Cowell	<i>Jack Mitchell</i>
Bagged a third success of the year at Chelmsford City in June but unable to lead after an awkward start when last of 7 there following month. Needs to bounce back.		
15	15	CANON'S HOUSE (10) (D) 95
	Michael & David Easterby	<i>Christophe Soumillon</i>
Completed a hat-trick at Hamilton (5f) in June but he went off too hard when tenth of 16 in handicap at the Curragh (6.3f, good to soft) 10 days ago. Possibilities back down in trip.		
16	21	MON NA SLIEVE (IRE) (25) (D) b 96
	Kevin Ryan	<i>Billy Loughnane</i>
Readily made all at Ayr in June but last of 6 in handicap at Doncaster (5f, good to firm) 25 days ago. Not proving easy to catch right.		
17	6	ROCKING ENDS (11) (D) s 97
	Tom Clover	<i>Jason Watson</i>
Cheekpieces on for first time when resuming winning ways in handicap at Newmarket (5f, good to firm) 11 days ago. Up 4 lb but not dismissed with headgear again sported.		
18	14	BRAZEN BOLT (18) (D) 97
	Ruth Carr	<i>Warren Fentiman (5lb/2kg)</i>
Very useful at this peak and built on the good start for his current yard when landing 16-runner York handicap (5f) 18 days ago. Remains well treated on old form and should go well again with good-value claimer again up.		
19	10	REIGNING PROFIT (IRE) (17) (D) v 96
	Ruth Carr	<i>James Sullivan</i>
Bagged 5f handicaps at Pontefract and Ripon in the spring and got right back on track when second of 17 at Ascot (5f, firm) 17 days ago. Needs considering once more.		
20	11	NOGO'S DREAM (18) (D) s 96
	Richard Hughes	<i>David Probert</i>
Unreliable sort but he bagged a third success of 2025 at Windsor (5f) in June. Not disgraced when seventh in 5f handicap at Newmarket last time and he's no forlorn hope.		
21	2	FAUSTUS (26) (D) 93
	Rachel Cook & John Bridger	<i>Connor Planas (3lb/1kg)</i>
Improved on recent efforts to win 8-runner handicap at Newbury (5f, good to firm) 26 days ago. Needs another step forward from 3 lb "wrong" in the weights here however.		
22	3	WHEELS OF FIRE (IRE) (13) (D) 97
	Richard Hannon	<i>Sam Hitchcott</i>
Yet to score this term but he's shaping up well, twice hampered from over 1f out when third of 6 at Catterick (6f, good) 13 days ago. One to consider despite being 3 lb out of the handicap.

RACE 5

CORAL GOLDEN REWARDS SHAKER HANDICAP (2) 3yo+
(Rated 0-105) £75,000 5f (1010 Metres)

BETTING FORECAST:

15-2 Redorange, **15-2** Adrestia, **12-1** Shagraan, **12-1** Miss Attitude, **14-1** Brazen Bolt, **16-1** Rocking Ends, **20-1** Dream Composer, **20-1** Jakajaro, **22-1** Twilight Jet, **22-1** Reigning Profit, **28-1** Mon Na Slieve, **28-1** Regal Envoy, **28-1** Nogo's Dream, **28-1** Canon's House, **28-1** Enchanting, **33-1** Wheels of Fire, **33-1** Nimitz, **33-1** Paddy's Day, **33-1** Faustus, **40-1** bar

TIMEFORM VIEW:

This is wide open but the progressive REDORANGE is taken to gain a deserved victory having run really well from unfavourable draws in similar big fields at Ascot on his last two starts. Jakajaro also didn't enjoy the rub of the green when finishing just behind Clive Cox's gelding last time and could emerge as the main danger, although several others hold solid claims, notably Adrestia, Dream Composer, Miss Attitude and Brazen Bolt in this cracking sprint handicap.

TIMEFORM 1-2-3:

1. REDORANGE 2. JAKAJARO 3. ADRESTIA

RACE 6

BRITISH STALLION STUDS EBF MAIDEN STAKES (2) 2yo colts and geldings £60,000 6f (1210 Metres)

Going: **Good**

Right handed, undulating. There are two bends; all races up to a mile and a quarter use the lower bend, and in excess of eleven furlongs use the top bend. Although there is a five-furlong run-in from the top bend, the turns and the pronounced downhill gradients make Goodwood essentially a sharp track, favouring handy types, particularly in the shorter-distance races. The five-furlong course is one of the fastest in the country, meaning speedy sorts often have an advantage. A notoriously tricky course, those held up regularly meet trouble in the straight, particularly when kept to the rail.

Draw: **Against Low** Pace Information: **Strong**

17 DECLARED RUNNERS

BETTING FORECAST:

9-4 Naval Light, 11-2 High Approval, 7-1 Anashhad, 11-1 Yorkshire Puds, 12-1 Stellar Sunrise, 16-1 Bayraq Almuhamadia, 20-1 Vintage Heat, 25-1 Yachtsman, 28-1 Manly Fireball, 33-1 Warning Symbol, 40-1 bar

TIMEFORM VIEW:

A large field for this valuable maiden and owners Wathnan might hold the key to it with NAVAL LIGHT given the vote over another of their breeze-up purchases High Approval. Karl Burke's charge couldn't land a blow in the Norfolk but had previously made a really promising start at Beverley when finishing strongly and can surely win races. James Doyle takes the ride over High Approval, who is fitted with a tongue tie after another good run at Yarmouth. Yorkshire Puds is another to consider.
