9 Lucky Legs Sun met too good opposition in the Jarlsberg Grand Prix for mares two starts back. Now she faces easier horses and despite this second row she should have a good chance of winning. **1 Bob Wiking** has a nice starting position and regardless of whether he takes the lead or not he has to be considered. **10 Brostile R.** is the most successful horse in this field and considering his ability he should normally be the mix here. **3 Lazer** is back after a pause and even though his form is a bit hard to predict, he should not be completely discounted.
