7 Sky Victory has impressed so far and taken three wins in a row. This short distance should not be a problem and Morten Friis has top chance of taking another win. **10 Miss Malibu** comes from victory in a nice time. Has a bit of a tricky number but is the main challenger. **4 Liverpool FC** is coming from a surprising win at Charlottenlund and can be in the fight again with a similar performance. **9 Lillie Vang** has not won yet after ten attempts but has been competing in tougher races lately. At least an outsider.

9 Modric had raced in Sweden for Hans Crebas but won outright in the last race at today's track. Has a 20 meter handicap but should have a good chance of passing all opponents for Jeppe Juel this time. **7 Röde Orm** is quite good for this field but has a bit of a tricky number. Early choice with the right trip. **1 Hacienda** comes from a second place under the saddle. Maybe not a superstar but can take the lead here and will be dangerous then. **6 Jessica Day** had a decent season last year and was fourth in the last race ahead of The Gambler. At least a place bet.

2 Showman has won six out of eight races and should have a good chance here too. However, he has been scratch after the last race and that is a bit of a question mark. **10 Leonora By Hans** faces good conditions as a filly and was fifth despite galloping in the last bigger race. Has won five of 14 races and should be considered early. **9 Kong Arthur** is not entirely reliable but wins quite often. Contender if he avoids a mistake. **1 Marvelous Mosell** is very consistent and good and should get a nice trip from this lane.

6 Kaos has won five of eight races and comes from victory ahead of Red Madonna. Run under his belt now and could be even better. Good chance. **3 Red Madonna** got defeated from the lead by Kaos and is obviously looking for revenge. She is very consistent and good and should be considered early. **4 Giovanni** is definitely good for this company but has not raced for almost a year! He might of course need races but should not be forgotten. **8 Hoska** has done well in both starts after the layoff. Got locked in two starts back and comes from a win from the outside of the leader. Difficult post.

5 Karoline Gardenia only won one race last year but has done really well in four starts this year. Was second in a bigger race two starts back and won last time ahead of Simply The Best. Good chance again. **3 Simply The Best** won seven out of 14 races last year. Was second last time behind our pick and is obviously looking for revenge. Run under his belt and could be improved. **7 Ice Cool Surprise** competed in a slightly bigger race last time but had won two straight races before that. A bit tricky number but a contender behind our top duo. **4 Nova** is fast and our favorite for the lead. From there she could be dangerous.

He won ahead of Herbert L M last time and is coming off a new victory at Charlottenlund. **6 Suarez D** has won three of seven races this year and is often heavily backed.
