1 Everest Voice comes from a strong effort and was second closely defeated by Backcountry in Göteborgs Stora Pris. Has been successful on the Bro Park turf and should have top chance in this Swedish Championship for Sprinters. 3 Mountain has been improved seven kilos as a four year old after three impressive wins over 1200 dt in Malmö. Early contender with a similar effort but this surface is a question mark. 4 Silent Night put in a couple of strong performances in Dubai this winter and was splendid as a three-year-old. Possible if well prepared. 2 Ramone met too good horses in Polar Cup. Better conditions now and possible outsider.

2 Crocodile Rock did alright in the debut but was third and improved in the last Lambada Cup. Is ridden with blinkers now and turf is interesting. Our pick in this Swedish Championships for Two-year-old horses. 11 Thunderboy did alright over these conditions at the end of June and came in second to promising Miss Donalita. Jacob Johansen is an advantage here. Possible challenger. 4 Tussilago Farfara comes from a good debut in Gothenburg and was second to Fickle Mistress. Early contender. 9 Cobacabana won the debut after a perfect journey. Possible here with a similar trip.

5 Archers Ignite met the elite in Zawawi Sprint Cup and never had a real chance. Was good before that and handles this weight. Our pick in this open Sunday Special. 1 Constanzia faces nice conditions here and gifted Emma Nordin claims two kilo off. In the mix. 10 Fidji was third to Constanzia two starts back and just closely defeated. Better weight now and could take revenge directly. 11 Une Autre Beaute is good for this class but has not convinced so far this season. Always an outsider.

1 **Mystery Night** looked nice in the debut after a couple of problems and won comfortably with 1.5 length in Eivind Eckbo Legats Vandrepokal. Top chance in this year's edition of Amacita race. 6 **Crack The Sky** could never threaten **Mystery Night** in the debut as a favorite but came in second. Main challenger here. 5 **Miss Donalita** won easily over these conditions two starts back and after that she won Lambadu Cup in Malmö. Early contender. 7 **Ode To My Mother** comes from a nice debut and was second to One Rocketman. Big outsider here.

2 **Hey Brother** won over this distance in Bro Park Trial but has been clearly defeated after that in the Derby and Hurricane race. Easier opponents now and possible if the stallion handles this surface. 8 **Crystal Keys** did not like the surface in the Danish Derby and was clearly defeated at the end. Scored a strong third spot in the Swedish Derby though. Early choice if the latest effort was an accident. 9 **Good Fortune** was third in the Danish Derby and clearly defeated. This shorter distance is certainly an advantage. 5 **Falkor** will like these conditions a lot and should not be overlooked.

1 Warwick Avenue liked the wet track in the last race and the gelding beat quite good opponents in a Golden handicap. Has put in a couple of good efforts on this surface and is still on the way up. Our pick. 2 Malakai has been improved in the last two starts. This longer distance is an advantage. Early challenger. 7 Monsieur Vic was second to gifted Espen Hill and improved. One out of many contender in this open Silver handicap. 9 Nordic did alright in the last race on Övrevoll but this longer distance is probably not an advantage. Mainly an outsider here.
