4 Shogun R.R. held strongly in the last race, second behind Caspian Bro and looks to keep up his nice form. Goes for the front and will be difficult to beat from there. **2 Tyson Renegade** has high capacity but does not always live up to it. Early contender in this race. **10 Never Mind'em** got a run under his belt in the last race and will be sharper now. Has won two out of six races over the long distance and can do it again. **9 Harpy** competed in the Åbys Stora Pris last time but never had a chans. Loves these conditions and should be considered.

7 Optandsprinsen finally won in the last race and even though the opposition was a bit easier, the impression was still really good. Should have the best chance to win this race. **9 Måntösen** has avoided a mistake lately, but also been improved. Quick pace would be an advantage. **8 Moe Kan** has a tough starting position, but the form is good and normally the seven-year-old can be in the mix here. **1 Vete Tusan RF** is fast and if he manages to reach the front he could very well lead this race all the way.
