9 A Fair Day is by far the best horse in this race and should have the best chance to win despite this 80 meter handicap. **3 Glorious Art** won easily in the last race and looks to have found top form. Goes for the front and will lead this for a long time. **5 Spring Waltz** won easily in the last race after finishing the final lap 13/1000. Looks in good shape but finds it hard to win. **6 Backer T.R.** impressed two starts back when he was able to win despite a gallop. Fast when he can save his speed and is possible behind the favorite.

8 Digital Brodde has won two races in a row in fine style. The three-year-old is ready to set a new record and should have top chance. **1 Sven Kuce** has made two good races and is developing really well. Good draw and is in the mix. **4 From Silvio** was clearly defeated by Sven Kuce in his debut but has improved with every start since then. Should be considered. **9 Gold Man Fi** did not trot well in the last race and the chances are not easy to predict. Is mainly a place bet.

11 Lazy Dust is a nice 3-year-old who has won two out of three races. The starting position could have been better, but based on what he has shown so far he should still have the best chance to win this race. **2 Van Gogh O.** has shown enough starting speed to take the lead and once in that position he is the horse to beat. **4 Who's Funky** has found a new gear since the change of trainer. Should be considered early from a good starting position. **5 Ozero Boko** took his first win in the last race in the 20th attempt but will find it hard to repeat that effort here.

9 Good As Caviar has met tough opposition towards the end. Quick starter and will reach a good position. Good chance regardless of journey. **1 Look Down** is a quick starter and will take the lead. If he is allowed to dictate the pace he will not be easy to beat. **6 Global Fizz** had four straight gallops before the last race. He clearly has the capacity to fight for victory. **5 Olympus Steel** is consistent and good but doesn't win very often. Possible but needs some luck here.

11 Omari Boko got a short break after the Stochampionatet weekend. Has been matched against tough opposition and should be ranked high despite this starting position. **12 Eisenhower Effe** held strongly in the last race, finishing third and is starting to get close to the form he had when he took three wins in a row in the early summer. **10 Tamburine Tile** got a run under the belt in the last race and is one of the earlier contenders in this race. **2 Booker's** has started to race under the saddle at the end. Sulky again now and from a nice starting position he shouldn't be discounted.

3 Kardashian scored a good win from the lead two starts back and is unbeaten in that position after two attempts. Good chance if she reaches that position again. **11 Carmita Silvio** is consistent and good but still waiting for the first win of the year. She pass many opponents during the final lap. **9 Anna Mae** galloped with energy left in the last race and is in the mix with the right journey. **10 Easter Princess** won an easy race last time. Prefers to run in the lead and needs quick pace and the right backs to win this.
