10 Marylebone qualified very well at the beginning of April, but it has been a long time since then before this debut. Daniel Wäjersten usually has his horses in good shape and he should have top chance here. **11 Young Anthony** has a run under his belt unlike most of his rivals. Scored a good third place then. **2 Com Valentin** is nicely bred and finished his race in a good way. **6 Golden Charly** is a year older than most opponents here.

7 Fausto Jet has not won yet but is very speedy. If Conrad Lugauer's horse avoids a mistake he has a very good chance of winning here.

1 Ajlexes Magicwoman made her debut for Tomas Pettersson in the last race and was really strong. Is certainly improved by that run under his belt and is ideally drawn. Challenger. **9 Chelsea Gold** is possible too if avoiding a mistake. **10 A Perfect Feeling** has done quite well so far when not galloping.

3 Artus B. looks very nice and has started really well for Conrad Lugauer. He galloped in a tough field last time and is not entirely reliable, but the times he has avoided a mistake he has also put in strong performances. He is going down in class and should have a good chance. **7 Monte Rei** is the main challenger. Was improved barefoot in the last race and has shown good capacity. **8 Brunet Garde** is a promising horse for Katrin K Frick. **9 Global Grand Slam** is matched in good companies but the form is a question mark.

2 Elias K.J. impressed in the first two starts, but faced tough competition from a poor starting position last time. Much better conditions here and together with Mats E Djuse he should have a good chance. **5 Gretzky Brodde** does well most of the time and is interesting barefoot. **11 Gordon Kronos** is fantastically bred and not bad at all. Possible with the right trip. **7 Timotej's Nicetime** returns after a layoff. Has shown good speed but needs some racing luck from here.

15 Stens Erume has not convinced lately, but is an incredibly capable horse. If he avoids a mistake and lives up to his ability, he will win this race. Mats E Djuse is interesting. **9 Tangen Julius** is capable, although not as good as our pick. Not reliable either, but an early contender behind the favorite. **8 Höstbo Anton** has been good as second in two consecutive starts. **2 Oddfax** competed in the Swedish Coldblood Criterium three starts ago. Interesting start.

2 Ready To Run H.C. was a finalist in both the short E3 and the Swedish Trotting Oaks last year but has not been as good this season. Early challenger for both the lead and the victory. **5 Graces Bird** is also a quick starter and clearly the best in the lead. If she could reach the front she will not be easy to reach. **6 Never To Young** is not reliable, but is both strong and tough when avoiding a mistake.

Main challenger. **5 Frivoll Faksen** finished to a nice victory last time and could be dangerous. **1 L.Q.Eddie** is quick from the start and found the lead from lane one last time. 10 Killer Rain was second in to La Yucca in a Derby heat, but gave up in the final. Now he faces easier opposition and has a good chance of winning. **5 Love Bites** got locked in with a energy left in the last V75 race. She had put in several good efforts before that and can be driven to the front here. Challenger. **9 Hunting Sober** comes from galloping in three straight starts which is a question mark, but the horse won a V75 race before that and has the capacity to win. **8 Vixi Garbo** can do it tough which is needed from this poor number.
