## RANK

**12 Gunvald** has a poor lane but he is in top form. He won easily two starts back and was only closely defeated in the last race. Now driven by Martin Malmqvist. **8 Fusion Eagra** has earned the most money this year. Wasn't at his best last time but won two starts back and will probably get an offensive start here and could take the lead. **10 Caradja** is worth a warning. The horse is clearly better than the latest results show. Finished quickly in the last V75 race and will face much easier opposition this time. **9 Super Nice** has a run under his belt and can get a nice defensive trip from here.

**4 Ken's Queen** is our pick in this rather mediocre race. She has shown good form of late and is our close favorite for the lead. Rosleff will drive this time. **3 Deltebre Face** comes from two consecutive second places as well. He can open fast and may reach the pocket. **8 Zipora C.D.** won by a wide margin in the last race at this track and was improved a lot. Took the lead then and will probably get an offensive start from here. **9 Gloria S.H.** scored a good win at Karlshamn in July. Fredrik Persson's horse has a tricky number but cannot be discounted.

## RANK

**3 Monark Winner** is our pick in this stayer race. Galloped directly in the last race but had shown good form before that. He is our favorite for the lead here. **5 Jack Grealish** is perhaps the best horse. Has earned the most money this year but has got a tricky number. Run under his belt and Victor Rosleff is driving now. **12 Funny Money** took a controversial win in the last race when he won closely from the lead despite running a bit inside the track. Should be improved by that race. **6 Extremely Fast** took his first win in the 31st race last time and won easily from the lead. Has an interesting lane here.

**5 Return of Mogens** is our pick in this open race. Has shown really good form towards the end and got a good lane. Can open fast. **6 Lexington Yoda** is also an early choice. He won with Jennifer Persson at Mariehamn two starts back. Fifth at Solvalla last time and a bit easier opposition now. **10 Kyrkebys Lisbet** wins quite often and comes from victory too. Driven this time by Victor Rosleff and hoping for quick pace. **7 Leo The Lion** is interesting in his debut for Jörgen S Eriksson. He was fourth in the last race and has got a break since then.
