4 First Tartar was unlucky on the far stretch in the last V75-race and galloped in the final turn without being empty. Scored a couple of nice wins before that. Nice task here. 12 Vallee de Lumiere finished strongly to a second spot two starts back. Kontio this time and this distance is interesting. 9 Ideås Make it B.S. is in good shape. Tougher opponents now but could get a nice defensive trip with this number. 1 Zätas Forever Star will get a nice journey here and is an outsider with some racing luck.

11 Art Brown is interesting in this comeback. Has not raced since this spring when he scored three nice wins in a row. Our pick directly. 15 Marcos Gallon got a tough run outside of the leader in the last race and did alright. Came back well after an early mistake two starts back and is an early choice here. 14 Expensive put in a good effort in the last race after a long break. Has one run under his belt now and is good for this class. Contender. 3 Västerbo Vixen resumes from a spell. She is well drawn and should not be overlooked here.

2 Showtimejackflower has been racing a lot in the V75 lately. Can open fast and faces better circumstances this time. Our pick. 11 Tale of Jacks had to attack from far back in the last race but finished strongly. Poor number in the second line again here. Will defeat many opponents though. 5 I'll Fixit had some energy left in between horses at the end in the last race. Will go for a defensive journey again and is an outsider with some racing luck. 3 Surf'n Turf is a good short distance runner. Is well drawn and better than the latest results show. Outsider.
