3 Naama has twelve wins in 19 starts and has good capacity. Is interesting in this debut for a new trainer and should be considered directly. 5 Hi D. has not won for a while but is in great shape and this number is nice. She should be considered early. 4 Precious Lane has four runs under her belt and the form should be on the way up. Can open fast and should reach a nice position directly. 1 Hello it's Me is ideally drawn. She has shown good skills and could be in the mix here.

4 Dame de Tailleur uses to meet a lot tougher horses than these and that could be decisive here. Top chance to win. 1 Ottens Filosof faces perfect conditions here and will reach a nice position. He is the main challenger regardless the journey. 6 Earthquake Neo is more strong than fast and will get an offensive journey if possible. He could win this on pure strength. 10 Philosopher is better than the latest results show and will be driven for the first time by Stefan Persson. Interesting.

8 Denco's Galliano galloped in the last circular start. Scored three wins in four races before that and should have a good chance here despite this number. 6 Constantin comes from Denmark and is certainly well prepared. The Gitte Hansen-trained six-year-old can open fast and offensive driver Ken Ecce will certainly go for the lead. 3 Hellvis Victor has to travel far as well to race here. He comes from Visby (on the island Gotland) and has good speed. 5 Dixie Dick is fast and should be considered early with this nice number.
