5 Maxmartin could never catch leading Twirling Ghost in the last race. Scored a good second spot anyway and is in good form. Top chance. 3 Ellis St Martin comes from a convincing win over these conditions and is the title holder in this Ulriksdals Minneslöpning. 2 Falkor was second to Ellis St Martin in the last race and improved. Possible if even better now. 4 Running Rolf faces better weight conditions now and this 1600 dt on Bro Park is perfect.

2 El Guanche did alright in his comeback. Should be even better now and is our pick in this Open Handicap. 6 Canmore comes from Norway and is in great shape. Put in a good performance on the track in August over these circumstances and is an early contender. 5 Mountain is in quite good form and these conditions are perfect. Does not always travel well though. 7 Kinsman has been improved as a six-year-old and been second in Zawawi Cup and won a good Golden Handicap. Contender.

4 Espen Hill won the Stockholm Cup and was second behind Hard One To Please in SFK:s Jubileumslöpning. 2 Hard One To Please failed in the Stockholm Cup but scored two convincing wins both before and after in Marit Sveaas and SKF:s Jubileumslöpning. Main challenger. 5 Stroxx Carlras got a tough seasonal debut in Stockholm Cup but did alright. Has good skills and will normally be in the mix. 1 Plantstepsdream comes from a convincing victory in Peas and Carrots Mile but this longer distance is not an advantage.

7 **Disraeli** won Hebert Sachs Memorial and was second and just closely beaten after that in Svea Ingenjörkårs Minneslöpning. 4 **Indy Humor** is a four-year-old who does not start very often but is in good form. Dirt today is an advantage. Early challenger. 5 **Redirect** faces nice circumstances here and stands this weight. Early choice here. 2 **Dear Bear** has won three times on turf but also won on this surface even if that was over 1600 meter. Should not be discounted.

1 **Gazelle** showed good form in the last race and this shorter distance is a big advantage for this fast mare. Good chance to lead this throughout. 2 **Cousteau** was ahead of Gazelle in the last race but this shorter distance is not an advantage. Good place chance though. 10 **Red Valley** did well in the last race over these conditions on Övrevoll and was second and clearly defeated by promising Mozart. Possible. 6 **Farhh Out** has been consistent and good and this 1600 dt faces nice conditions here. Typical outsider.

9 Midnight Oil has been at least third in nine out of ten starts this year and also scored three wins on turf. Our pick. 6 WhoopiLoo is a bit up and down but put in a good effort on this surface two starts back. Possible here. 3 Exceed Pleasure is a promising three-year-old Irish import who is developing well. One out of many contenders. 7 Lancaster comes from a convincing win over the short 1200 dt. Possible challenger even if today's distance might be a bit long.
