3 Zaffiro Jet comes from a win in the lead on Åby and showed great form. Could reach the front again and is our winner. 7 Orkan von Haithabu is the main challenger. He comes from a nice victory too and should be considered early. 6 Red Mile Brodde has not been at his best lately but is good for this class. He should not be discounted. 2 Demolition Man F. scored a sensational win two starts back but just kept up the pace well. Can open fast and should reach a nice position. Place chance.

2 Global Duty has been a non-starter after the last run and might need this race to be at his best. Has good skills though and should have a nice chance. 15 Västerbo Tramp has not won for a while but is fast. Tricky number but with the right journey he will fight for victory. 10 Global Barrister has got a break after the last run. Uses to meet tougher opponents than these. Early choice. 6 Mayhem Mary has got an interesting number and in the lead she should have a good chance. Possible regardless the journey.

4 Victory has been up and down so far. If he is at his best he should have a good chance here. 10 Ozak Vivantis is not always reliable either. Should normally be considered early here. 3 Alessio took over the lead after a while in the last run and won very easily. Good form and early choice again. 9 Noble A.F. pressed from outside the leader with 700 meter to go and was outstanding at the end finishing 11/800.

9 San Sebastian wins often and has four victories in ten starts. Tricky number but good chance anyway with the right journey. 6 Cassandra Ferm was not at her best in the last run but is good for this class and should be considered early in this race. 1 Louis mon Ami had a number in the second line in the last race in Germany. Found the position second on the outside after an early attack in the last run and won closely. Has good speed. 2 Höwings Zeus has not started for a while and might need this race. Outsider anyway with this nice number.

1 Thai Sansa can open fast and with this nice number she should have top chance to lead this from start to finish. Banker. 6 Whothehillareyou has not trotted well lately and has to be improved. In that case the horse is possible here. 5 Mojito Day is consistent and good. Is a quick starter and should reach a nice position. 2 Dats Caballo is also fast and will probably get an offensive start. Will probably not be driven in the front though.

8 Ivory Am was Per Nordström not very optimistic about before the last race. Is certainly better now with that run under his belt. Early choice despite this number. 4 Dan C.G. is quite nice and has good speed. Nice number and will normally fight for victory here. 6 Staro Peanut has been consistent and good lately and is in great shape. With some racing luck he will fight for victory here. 3 Gunpowder was outstanding in the last run and in great shape. Tougher now but normally early contender.
