Steeple Chase - EUR € 95,000**

1. EARLY MIST - He won gamely last time in a Listed chase at this track and trip on November 11th. He has done all of his racing at this track and is a winner three times. Key chance

2. UN CHIC CHEVAL - Fair 4th behind EARLY MIST (1) when last seen on November 11th in a Listed chase at this track and trip. Has ground to find but can be competitive

3. HARLEM SCHUFFLE - Credible 3rd last time in a claiming chase at this track and trip on November 2nd on his chase debut, won over hurdles in July on his debut. In the mix

4. TANTE JAJA - 4th last time was over 3500m in a claiming hurdle at Nantes on November 14th. Tries fences for the third time after two previous tame efforts

5. SALY D'OROUX - Useful hurdler, who won a Class 1 race on October 3rd over 3400m, she then unseated her rider in the race EARLY MIST (1) won in November on her chasing debut. She can play a lead role

Summary: EARLY MIST (1) was a game-winner on his latest start over course and distance on November 11th in a Listed chase. He has a leading chance of following up on a racecourse he loves. His main threat is SALY D'OROUX (5) who was traveling well when she made a mistake and unseated her jockey in the same race. She is a useful hurdler and is a threat. UN CHIC CHEVAL (2) was fourth in the Listed chase that day and looks best of the remainder.

Summary: NOTHING TO SEA (1) ran a credible race when fourth at Ascot in England when last seen and was a course and distance winner before that in late October. He looks like the one to beat ahead of KART DE THAIX (3) who failed to complete the course on his hurdles reappearance earlier this month but is talented judged on his second-placed effort last year at this track. KLASS LANGY (2) warrants respect and is a winner at Auteuil two runs back. SANT FIRTH (4) is also worth considering.

Summary: ZARFLIGHT (4) has been running well over hurdles and fences of late and was a decent second at this track in a Listed hurdle at the start of this month. He can edge this over KEED D'AMIS (2) who won by over six lengths at this track in a Class 1 chase on November 2nd. 5. WELLS PARK - Fair 4th on debut over 3400m at this track on November 2nd on hurdling debut. He should improve and make an impact

11. SEMPER FORTIS - Unraced by Nirvana Du Berlais, the dam won over hurdles. Warrants respect on debut and is best watched in the betting for clues

12. AQUILAE - Two unplaced runs of late, 3rd before that on the flat at Dieppe over 2400m in a handicap on July 23rd. Did win at Nantes in July on the flat. Hurdle debut and others preferred

Summary: MISS MAELYS (9) could be the answer to an open-looking race. She made a promising debut when she was second at this track earlier this month when narrowly beaten. SIR MARVEL (6) was back in fifth in that race and will know a good deal more for that experience. WELLS PARK (5) was one place ahead in fourth and looks like an ideal each-way option. COUTE QUE COUTE (3) has won both of her races over hurdles and a hat trick is not out of the question.

Summary: LE PHILOSOPHE (4) won well by three lengths in the Grand Steeple- Chase De Compiegne (Grade 2) on November 2nd when last seen and can win again back over smaller obstacles this time. His main danger looks like it could be KAMARO D'HUEZ (5) who was fourth in a Grade 3 hurdle at Auteuil last time in late October. GALLIPOLI (3) looks like the each way must. DOCTOR SQUEEZE (2) makes up the shortlist.

BOJACK HORSEMAN (2) looks like he could be the main threat after a decent third at Toulouse in early October when last performing. ROYALCLETY (4) is one to include in all of the place bet permutations. BARON ZANZI (3) reverts to fences and has won on both of his previous runs over the larger obstacles in January at Pau.

Summary: JANE DE LA BRUNIE (8) is an honest performer who has been second on her last two starts and a win before that over hurdles in September. She was a winner over fences last year in a Class 2 event. JOSUBIE (3) will try to make life difficult for the selection and looks like the biggest threat. JIBSON (4) looks like the best option for the each-way backers to go with. JIKITO (2) can also have a presence at the business end.
