RACE 1 — V65-1 — Volt 2100 — RANK

4 Unique Passion has won seven out of 13 races and is coming off two victories in a row. Won from the outside of the leader in the last race and is really strong. Good chance again. **6 El Guerro S.B.** also wins often but galloped straight away in the last race. He had put in two good performances before that and normally fights for victory despite this double handicap. **7 Who's Next B.** has only one win in 14 starts but has three consecutive second places. He is strong and can do it tough. Scratch due to a cough though. **1 Classichap's Lady** is often heavily backed but has galloped in the last two races. Two starts back he made a break still fighting for victory shortly before the finish. Interesting task now as the only horse in the first circle.

RACE 2 — V65-2 — Auto 2100 — RANK

1 Madla Lynet has taken six wins this year and is coming off three victories in a row. Is both strong and fast and has an interesting lane. Will probably get a good trip and should be considered early. **6 Ry Prinsen** has done well this year with three wins in eleven starts. Made it to the Norwegian Derby in September and has put in several nice performances. However, he galloped twice in the last race. **11 Teknovinn S.K.** has earned the most money this year. Won a bit surprisingly at Bjerke in October and comes from two approved effort. Tricky number. **10 Mi Bella** has also done decently this season and taken four wins. Maybe mainly a place bet here.

RACE 3 — V65-3 — Auto 2100 — RANK

5 Leonardus galloped 800 meter from the finish in the last race but came back well and showed good speed. He had made many good races before that and gets the tip. **1 Loing Leah** took a surprising win in the last race after a short layoff. Should be even better now and has an interesting lane. **4 Elmo's Fire** took two wins in a row this summer but has perhaps not been at his best in two races after a layoff. On the way up and should not be overlooked. **6 Joker Godiva** has had a decent season this year but he has only one win in 22 starts. Mainly a place bet here.

RACE 4 — V65-4 — Auto 2100 — RANK

4 Rapp Are comes from a good second place and took three wins in a row before that. Has been in very good form of late and normally has a top chance again here. **5 G. Soten** has also had a pretty good season this year. Is consistent and good and possible if the favorite is not at his best. **1 Kuven Lennart** is still without victory after 22 starts this year but has put in several good performances. He finished nicely in the last race and has got an interesting lane now. **6 Ry Tora** won easily from the outside of the leader in October and showed that he can do it tough.

RACE 5 — V65-5 — Auto 2100

6 Deep Sea Lucky won 16 races last year and had a brilliant season. Has done quite well this year and won from the lead two starts back. Gave up in the last race tough. Goes for the front? **7 Vicious** was fourth behind our pick two starts back but was actually more heavily backed then. He is looking for revenge but has been a scratch due to fever after the second spot in the last race. **5 Rönnerdahl** was third behind our pick but ahead of Vicious in mid-October. Is consistent and good and can surprise with the right journey. **4 Born In Bergen** is clearly better than the latest results show and faces nice conditions here. Sprinted well in the last race and should not be overlooked.

RACE 6 — V65-6 — Auto 2100

4 Sole Volo was fourth after a pretty tough journey in the last race but had taken three wins in a row before that. He has the best lane out of our favorites and is our winner. **7 Kickback** never had a real chance after an inside trip in the last race but won from the lead two starts back and will probably get an offensive start here. Early choice. **9 Ossie Artist** comes in brilliant form. Has won both under the saddle and in a sulky race lately Has the right attitude and knows where the finish line is. Has to be considered. **11 Demelza** won six races last year and earned the most money but is still without victory this year after 18 starts. Has shown very good form of late and will soon win.
