3 Global Lover has done well for trainer Robert Bergh where he started in August and has won five times. He has done well in the lead and should have a good chance to find that position again here. Hard to beat. 4 Berra Steel was unplaced from outside the leader two starts back. He comes from a good third spot and is on the way up. 5 Pleasure for Cash has won every third start and has good capacity. He has not raced for a long time now due to illness. 1 Harry Ruda has got a nice number for a defensive journey. Outsider.

1 M.P.Vega has set new records in the last six starts and is getting better and better. She won the last race in Bollnäs and she will fight for victory again here. 8 Solina has done well in three starts in a row lately. Is driven by Ulf Ohlsson now and should be considered early. 7 Lome Silje won comfortably on Bergsåker in October and comes from a good third spot. Has to be followed without a mistake. 9 M.G.Braxen collided and the wheel got demolished four starts back and galloped directly in the last run. Should not be overlooked with the right journey.

8 **Tinder Lars** has won more than every second start so far. The five-year-old got one run under his belt when he won the last race after a longer pause. Early choice. 9 **Tangen Svens** has won twice over the long distance this year. Has scored all victories this season together with Ulf Ohlsson. 1 **Ronja N.N.** has had a nice season. Is good for this class when she avoids a mistake. Should be considered in that case. 10 **Moepilen** is strong and has two runs under his belt now. Contender.

13 **Caprioso** found the lead after 500 meter in the last run and scored a comfortable victory. The Love You-son is consistent and good and has only been defeated twice when avoiding a mistake. 14 **Osah's Bolt** won with energy left in the last run. He has scored nine out of ten wins over the middle distance and has to be considered. 3 **Prometheus** resumes from a spell and the chances are not easy to predict. Nice number. Should not be discounted. 5 **Eagle in Disguise** does not always trot perfectly but he is good enough to fight for victory here.
