8 Type A. was very nice without shoes in the last run. We are not sure if that is possible today but regardless that the horse is good enough to win this. 6 Miss Pepper might have needed the last run after a longer break. Will certainly get an offensive trip here. Likes to run in the front. 5 Iggy B.R. has been competing in two short distance races lately and certainly become a bit faster. This distance is an advantage. Can finish strongly. 4 The Baron had three straight wins before the last run. Likes this number and should not be overlooked behind the favorite.
