2 IIs Can has scored a couple of strong wins lately. Found the lead in the last run and could reach the front again here. Good chance to win. 6 Slotts Tore galloped in the first turn in the last run but came back alright after that. Is in good shape and should be in the mix. 14 Rutbo Brasse resumed from a spell in the last run and was third after a good performance. He should be improved by that run. 8 Kruson never found room at the end in the last run. Outsider with the right trip.

1 Pelas Kokeshi has good speed for this class when he is at his best. He galloped in the final turn in the last run still fighting for victory. Our pick. 9 Sanoroc News failed in the debut in July but scored a strong victory a couple of weeks ago. Early contender now. 2 Ninepoints Winner was pressed in the lead in the last run but did alright. Nice number and should be followed. 12 Nappa Hall could defeat many opponents in case of quick pace. Typical outsider.

7 Hanastasia Brick has not won yet but should soon score a victory. Found an early lead in the last run and was brave. Our pick. 2 Febe got locked in with energy left from behind the leader in the last run after a longer pause. Good enough to fight for victory. 3 Mindyourlove W.F. has got one run under his belt in the last run after a pause. Nice number and should be followed in the warming-up. 11 Ninepoints Lady has not started since July. Is better than the latest results show and should not be overlooked behind our top trio.

2 Splendid O. comes from a well deserved victory and was good in the lead. Has been consistent and good this autumn and should have a good chance again with this nice number. 3 She's Just Joy got a trip from far back in the last run but finished well and Jorma Kontio this time is interesting. 6 Melrose Draviet finished fast in the last run and this short distance should suit the horse well. Has to be followed. 1 Overtime is well drawn and could cause an upset with the right journey. Outsider.

5 Cameron should have a good chance here. The horse resumed from a spell in the last run and finished well to third. Should be improved by that run under his belt. Our winner. 3 I.B.G.Flair was fifth in the last run and did alright. He can do a little bit better though and this number is nice. 2 Netflix was a bit slow in the last run but had energy left too. Possible behind the favorite. 4 Forbidden to Rest scored two wins in the lead in November and will go for that position here as well.

8 Ruger came back strongly after an early mistake in the last run. We think he is the best horse in this field. Needs some racing luck with this number eight behind the gate though. 9 Nuzzle'em is a bit up and down. If he is at his best he should be considered early in this field. 10 The World is Mine has not started for almost a year and makes his debut for a new trainer too. Is good enough to be in the mix directly. 3 Gianluca D.K. finished well to fifth two starts back. Is better drawn than many of his rivals.
