

RACE 1, V4-1

Auto 2120

6 Kontiki T.R. is promising and has three wins in five starts. Is developing well and could find the lead here. Early contender regardless the journey. 2 Solkattens Nikita has started well too. Won despite a tough journey in the last run and is an early contender again here with this nice number. 5 Deluca failed in the last run and has not won for a while. Has good speed though and should not be discounted. 10 Mistelns Famous has not impressed lately but came back well after a mistake two starts back.

5 Knox Newport could not find the lead with number one in the last run. Found room and attacked during the final lap but did not trot well and galloped. Scored a good win in the lead before that. 3 Lupine B.M.W. did not convince in the last run but had not started for a while before that. Should be on the way up and is an early contender here. 15 Savoy Brown faces tough conditions and has to defeat many opponents here. Good chance anyway here. 9 Celine has good speed and with some racing luck she is possible too.

12 Stepping Moneyboy won from behind the leader in the last race. Has got an interesting number here and faces easier opponents. Top chance again. 5 Flirting Diamond has been up and down for new trainer Emma Johansson. Is good for this class and an early contender if her lives up to his capacity. 11 Amarcord L.G. scored a splendid win four starts back and with a similar effort he will fight for victory here. 8 Ottilia Fri is better than the latest results show and should not be overlooked. Worth a warning.

9 Bugatti Veyron wins often and has five wins in 20 starts. Tricky number here but good chance with the right trip. 10 Moon on Baroda was a disappointment in the last run after a nice journey. Put in a couple of good efforts before that and she is an early choice here. 12 Dionysos L.I. is not bad and will be interesting to follow here together with Stefan Persson. 5 Ciel Wibb has one run under her belt and should be improved a lot now.
