7 Glenn looked nice in the debut when he won in the lead finishing 15.3/800 with energy left. Good chance again. 3 Excellent Cash will be interesting to follow in the first start. The two-year-old-horses trained by Djuse use to put in a good performance directly. Nice number. 6 Orfeus Band won his debut in the lead. He showed the right attitude when he was pressed during the final half lap. Contender again. 2 Heatherandleather should not be overlooked if he handles this number two in his debut.

7 Ekaterina comes from a strong win from outside the leader. Debut behind the gate now but she should handle that. Our pick. 6 Baracchi T.P. was tricky in the last run but started the career with two very nice victories. In the mix if he avoids a mistake. 2 Billionaire Face set a new record in the last run and will soon score the first victory. Nice number and he should not be overlooked. 3 Stop the Count galloped directly in the last start. Got locked in before that with energy left.

3 Wittgenstein was outstanding in the last run and has done everything right so far. Is well drawn and could find the lead here. Good chance in that case. 10 Catch Me has started with two good wins. Has won in the lead on both occasions, back row draw now. Early choice anyway. 4 Inferno W.F. should be considered early in this field if he handles number four. 1 Önas Rose should get a nice journey with this number. Place chance with the right trip.

Our winner here. 11 Madame af Djupmyra is consistent and good and has been matched against tough V75-horses. Will defeat many opponents but needs some racing luck underway. 10 les Juvel put in a good effort from far back in the last run and will soon score the first victory of the season. 9 Omega Superstar is better than the latest results show and should not be overlooked.

2 Yavapai Point has had poor numbers lately but this one is better. He is fast for this class and won for this driver two starts back. Our pick. 12 Hard Touch is consistent and good. Won in the lead on August 12 but we think he is good from the back as well. 3 O.M.Hazebrouck resumes from a spell. He put in several strong efforts last winter and should be considered directly. 6 Triple Cherry scored the first victory in the last run. Is in good shape and should be considered early.

7 First Tartar had not raced for five months before the last start where he scored a good third spot. Should be improved by that run and he has earlier won over this distance. 6 Kee Keeper has been consistent and good but we think he can do even better. Has good capacity for this class. 5 Narragansett comes from an easy victory in the lead. This number five is tricky. Early choice without a mistake. 1 Mats Tooma starts for the second time for this new trainer. Has got an interesting number for a defensive trip. Outsider.

8 Brageson wins often and showed good form in the last run. Is poorly drawn here but should have a good chance to beat all opponents anyway. 5 Kolbu John is often a bit fiery but likes the short distance. If he would stay calm now he is possible here. 6 Guli Em got a nice inside journey in the last run and finished well when he found room. Will fight for a place again. 9 Laggaprinsen is consistent and good and this number is not bad. Outsider with the right journey.

9 Budets Olof scored a nice victory on Bollnäs. He has been a non-starter after that but is our pick anyway here. 11 Massive Hangover showed the right attitude in the last run. He looked defeated but countered well to victory. Has to attack from the back now but he has earlier shown that he is capable of doing that. 5 One More Time handled this number four in the circular start in the last run so this number five should not be a problem either. In that case he has to be considered again. 8 Crispy is in good shape. Could defeat all opponents if he finds room in time with this number.

He faces easier opponents here and should have top chance. 7 First Love M.L. got a poor start but finished well from far back in the last run. Needs some racing luck with this number seven and could be in the mix then. 12

M.T.Montpelier came back well after a mistake in the last run. Is not reliable but has good form. Outsider without a mistake but needs some racing luck with this poor number. 1 Hand Full should be improved by the last run under his belt. Outsider.

Could be improved by that run. Dangerous if he handles this number. 1 Höstbo Elina was close to win two starts back. Is well drawn and it could be her turn now. 7 Åkmans Gullspira does not always trot well but has good speed for this class.
