Auto 2640

2 **Playit Flax** found room from third on the inside in the last run and finished fast to victory. Has three runs under his belt and top form is close now. 1 **Amoa King** has got a tricky number but should find room over this long distance. He is certainly fast enough to win this. 10 **Amarcord L.G.** scored a nice victory two starts back but got an impossible journey in the last run and we forget that race. 8 **Barnacle** has been matched against quite tough opponents. Early choice despite this number.

8 **Speedy Face** finished well to a second spot two starts back and came back well after an early mistake in the last run. Can open fast and will get an offensive start despite this number. 7 **Västerbo Exact** is strong and can do it tough. He could win this regardless the journey. 3 **Staro Leonardo** has two straight wins and is better than ever now. Early choice again. 2 **Zio Tom Jet** uses to meet tough horses and he is ideally drawn behind the gate here. Contender.

RACE 9, V64-6

Auto 2140

3 Devs Dragon has two runs under his belt (good performances) after a longer pause and should be improved a lot. Is well drawn and our pick. 6 Awesome Kronos is not bad at all and if he lives up to his capacity he could fight for victory here. 5 Roller Coaster Ås has not raced for a while and might need this one. Early contender anyway. 11 Conrads Massiv deserves a victory but needs some racing luck with this very poor number.
