5 Dark Roadster was allowed to determine the pace in the lead in the last run and won easily finishing at 10-pace. Good chance again if he reaches the front. 6 Whelk did alright despite a double handicap in the last run and is still in good shape. Uses to meet tough opponents. Early challenger. 3 Karat Band did alright from behind our favorite in the last run. Could be in the mix here as well. 4 Zinco Jet made a short mistake with 600 meter to go two starts back but could win anyway. Outsider.

1 Mjölner J.R. is a gifted four-year-old on the way up after a pause Nice number and he could lead this from start to finish. 5 Tor N.O. is better than the latest results show. Found room after an inside journey with 400 meter to go two starts back and finished well. He has to be followed here. 6 Torvald Grimm is in good shape and was close to win in the last run. He has only one victory so far but is possible again here. 11 S.T.C.C.Brør can do better than shown in the last run. Outsider.

8 Hemisphere was improved in the last run and won comfortably. Somewhat tougher opponents here but he is very good for this class. Good chance despite this number. 10 Kenzoki Boko has been consistent and good. Fought well in the lead in the last run and got defeated with 100 meter to go. Is good from the back too and has to be considered. 6 Loveyouecus was third in the V75 in September. He is good enough to be in the mix here and has to be followed. 3 Master of Zon won with Ohlsson on November 13. Full distance now but possible with the right defensive journey.
