6 Big Shot got locked in from behind the leader in the last run and had energy left. Is in good shape and with a better journey he should have a good chance. 10 Maverick Dream has shown great form lately. Tricky back row draw now but should be considered early again. 2 Moon Zappa attacked with 300 meter to go in the last run and finished well on the home stretch. Interesting number here and likes defensive journeys. 4 Moneykeeper is better than the latest results show. Typical outsider.

8 Make Him Young deserves a victory soon. Has two runs under his belt after a short pause and never got a real chance from behind the leader two starts back. Our pick despite this number. 5 Vincent C.D. was not at his best in the last run and galloped twice. Can do better than that and has to be considered early if he avoids a mistake. 1 Easy Catch is well drawn. We think she can do better than she has shown so far. Has to be followed. 4 Hurricane P.T. has been consistent and good so far. Could cause an upset with the right journey.

4 Beckham got a tough final 600 meter in the last run and put in a good performance. Looked nice when he visited Solvalla on November 12. Our pick. 2 Claw is not reliable but has good speed and will certainly go for the lead here. Should be considered early in that case. 1 Capital Gain C.C. has got a better number than he has had for a long while. Uses to meet tough opponents and with the right journey he is an early choice. 5 Break Through did not convince in the last V75-race but can do better. Typical outsider now.

7 Commander Victory is our pick here. The horse has not raced for a while but is good for this class. Was brave from outside the leader in the last start. 10 You Could Be Mine got a nice inside journey in the last run. He came in third and did alright. She could be in the mix here as well. 2 G.Cross could find the lead here but has not been at his best lately. Possible if he lives up to his capacity. 8 Buggy made his debut for a new trainer in the last run and was not empty at the end. Outsider.

10 Chaebol put in several strong efforts this spring and summer. She has not raced for a while now but should have a good chance directly. Needs some racing luck with this number in the second line though. 6 Laurentius Valiant took over the lead with 1500 meter to go two starts back and won easily. If he finds the lead here too he could be hard to reach. 9 Campagne de Press scored a nice win in the lead on November 14. Could get a nice defensive journey here and is good from the back too. 7 Gentiane Evening was not empty in the last run after a late opening. Has to be followed.

3 Hadrianos made an early mistake in the last run. Put in a good effort directly after a pause two starts back and if he avoids a mistake this time he will fight for victory. 4 Baronerosso Play had been a non-starter before the last run and might have needed that race. Is well drawn behind the gate and is an early challenger to the favorite. 10 Qvanting Indika is consistent and good. Back row draw now but with the right journey he will be in the mix. 6 Make My Dream has not raced since August. Is an outsider here.
