4 Golden Star K J has convinced lately. Won in the V75 in Aalborg two starts back and was outstanding in the last run. Our pick. 8 Go On A P did not trot well at the end in the last run but scored a good second spot anyway. Has good skills. 1 Gold Ripasso looked nice in the last run but got defeated shortly before the finish. Quick starter and nice number. 3 Epidot T T got a defensive journey in the last run and had energy left at the end. Should reach a nice position and has to be followed.

9 Huxi L C is promising. After a second spot in the debut he scored an outstanding victory in the last run. Is developing well. Good chance. 2 Hudson Spring won despite a tough journey in the last run and should be even better now. 7 Paying My Way beat our pick in the debut and finished well to a close defeat in the last run. Tricky number here but should not be overlooked. 8 Hopeforlove has been up and down so far in his career. The chances are not easy to predict. Poor number too.

5 Golden Rain comes from a V75-race in Aalborg but was interfered to a mistake in the final turn then. Good chance to take revenge here. 4 Daddy Loves You has shown good form lately and is probably the toughest challenger to our winner. 1 Jack Baldwin finished well to third in the last run. Ideal number here and will certainly reach a nice position. Possible. 6 Fivie Barosso has not won for a while but is good for this class. Early contender with the right journey.

5 Generalen has put in a couple of good efforts but only scored two wins in 15 starts. Comes from a good performances and is our pick here. 4 Frederik H S has two runs under his belt after a pause and the form is certainly on the way up. Main challenger. 6 Golden Simon galloped directly in the last start. Was good in a couple of starts before that and should not be overlooked. 9 Filippa B has not started for a while and might need this one to be at her best. She should be considered early anyway here.
