**8 Red Hot Roadster** has galloped in two of the last three starts. In this type of race he can do it tough. Early choice. **4 Kit Crown** is a very quick starter and the likely leader of this race. He was in the lead two starts back, but then he met horses like Aurelia Express and Staro Raili and was not fit. Interesting task. **10 Appasso** is matched in good company and won at Vincennes in November. **5 Flexible Launcher** starts very tight here.

**7 Odin Eck** has shown good potential but galloped a lot. Opens fast and should be in the fight. **12 Alandias Philip** has been matched in better company than this lately. Poor lane, but despite that he should be considered early here. **11 Black Dahlia** was a hot favorite in the last race, but galloped then towards the home stretch. Seemed to have a lot of energy left at that point. Contender. **2 Flaxy Bahitj** is up and down, but on a good day the horse is excellent and these conditions are perfect.

Not entirely reliable, but has won in many different ways. **3 Straight Forward** had not started for a while before the last race but showed very nice pace scoring a dominant win. Could be even better now. **6 Single Lane** has done alright so far. Makes an interesting debut for Oskar Kylin Blom and this lane is optimal. **1 Constanzia** scored a maiden win in the last race. She will face better opposition this time.

**2 Stepping Gogo Girl** raced in the V85 last time and was heavily backed then. She was not at her best then. Faces completely different opposition this time. **1 Mijanou** started the career really well, but hasn't convinced at all after that. Should reach a good position. Early choice. **11 Bluebeat** has a couple of runs under his belt after a long layoff. Has good capacity. Has shown that she is good from behind too. **12 Eroll Flynn** has the best results, but shoes and a poor starting position make this a difficult task.

Could be dangerous here. **1 Tumbling Dice** is not a superstar, but this is a mediocre race and he is fast starter. Possible if the favorite fails. **2 Mellby Merry** has galloped a lot lately but is not that bad for this company.
