**4 Mysleeve One** has matched in very good companies. Will drop down in class this time. However, this is the seasonal debut and he will not be at his best. Despite that, he is still our pick here. **3 Margaritaz** did alright as second from the lead in the last race. American bike this time and Ulf Ohlsson are two advantages. **2 Cricetidae Ås** is not entirely reliable, but when the mare avoids a mistake she is good enough to be in the mix. **9 Conrads Jessica** has been consistent and good for a long time.
