5 Waxängs Kula showed good speed last time after a gallop. From the front she leads this for a long time. Our pick in an open race. **9 Järvsö Britt** has now run two races after a layoff and the form should be on the way up. Has shown good speed in his three victories last autumn and should be counted early in this field. **3 Kattens Malou** was a bit fiery in the lead last time but got defeated in the end that time. Could cause an upset from the lead here. **6 Supersnorpan** finished decently last time and has good speed but needs some racing luck here.
