8 **Senorita Tokio** scored an outstanding win in her debut. She beat quite easy horses but looked really nice. Good chance again with the right journey. 4 **L.A.'s Flamboyant** kept up the pace well in a 13-finish on Örebro. If she handles this number four she is a challenger. 1 **Dojan** is well drawn in this debut and qualified already in November as a two-year-old. Will be interesting to follow. 10 **Rosa Danica** is well bred but has not convinced so far. Should be considered too here.

4 **Gill Gal** has started the career very well with two wins. Debut behind the gate here and is well drawn. Good chance again. 11 **Caitriona** comes from Jägersro and she is also undefeated after two starts. One last season as a three-year-old and one in the last race where she won easily. 10 **Heaven Mearas** started with two wins last year as a three-year-old. Has run one race after a pause and should not be overlooked. 6 **Waytocashflow** got locked in with energy left two starts back on Bjerke. This speedy Norwegian horse has to be followed as well.

12 Gitte Silvåkra finished fast on the home stretch in the last V75 race. Had got a break before that and should be even better now. Our pick. 2 Swisha found the position behind the leader with 1100 meter to go in the last race and got locked in there with energy left at the end. 8 Svecak Palema is a gifted mare who makes an interesting debut for Goop here. Did not trot well in a couple of races during the spring. 6 Hazyshadeofwinter found the lead in the last race but gave it away and won on the open stretch. Should be considered in this company too.

5 Erv Zet has developed well lately and scored an easy win in the last race finishing 13.5/1000. Is well drawn behind the gate and should have a good chance again. 6 Jojo Keeper has two straight wins over the long distance. 1640 meter now but in case of quick pace he will defeat many opponents again. 4 Lefty Gun scored an easy win in the last race when the main challenger galloped. Resumes now from a short pause. 1 S.G.Kingstone scored his first win two starts back over today's short distance. Nice number. Outsider here.

9 Guli Roy is our pick in this open cold blood race. He got a tough final 1200 meter in the last race and was really brave. 7 Demex was in great shape in April and won a V75-race on Gävle on April 1. Has not convinced lately but new driver this time. 5 Emil Mollyn is better than the latest results show. He won a V75-race on Romme last winter. Has good speed with the right defensive journey. 1 Stjärnblomster is in good shape and has got a nice number. Should be considered early this time too.

3 Chapuy faces nice conditions here with this good number over the short distance. He has been a non-starter after the last race though. 2 Tabasco C.D. faces tough conditions money-wise but is in good shape and this number is perfect. He can open fast and is an early challenger here. 5 Beartime got a very tough journey in the last race and gave up. With a better trip he can finish fast. Contender. 8 Summit in Sight is consistent and good but does not win very often. Outsider here but needs some racing luck with this poor number.

11 Borups Victory has a good reputation and he has scored five wins in eight starts so far. Despite this back row draw he faces nice conditions this time. 4 Daven Port galloped twice in the last race. He is not reliable but has good speed if he avoids a mistake. 7 Lee Harvey Bros scored an outstanding victory two starts back. Tricky number but with the right trip he will be in the mix. 10 Power Doc found a late opening from behind the leader in the last E3 elimination heat and was not empty at the end.

6 Islay Mist Sisu has already earned more than two million SEK and done everything right. Can open fast and should have a good chance to reach the front here. Hard to beat in that case. 10 Lara Boko was a bit fiery in the lead two starts back but won comfortably. Is not reliable - galloped in the last race - but should be considered early without a mistake. 2 Miss Irma is inexperienced with only two starts but she has scored two good victories. Debut behind the gate and nice number. 9 Okira Bo can do better than she showed in the last race. Scored a comfortable win on April 28. Has to attack from the back this time.

10 Cash and Carry is less experienced in this field but has convinced a lot too. Won directly after a pause and should be even better now. 4 Maggiore convinced in the last race when she finished fast from far back after a poor start. Is developing well and this number is nice. 8 Samaritana made an early mistake in the seasonal debut. The chances are not easy to predict but the horse showed good speed as a three-year-old. Warning despite this number. 3 Erin Zet finished well in the last race and is one out of many outsiders here.

2 Hombre D. was not fit in the last race but in several strong efforts before that in a elimination heat and final of Kungapokalen. Is well drawn in this comeback and our pick here. 6 Mellby Illusion made his comeback in the last race and won directly despite a trip from outside the leader. Early contender again. 8 Halo Am makes his debut here for a new trainer. Was brave in the lead in the last race and should be considered early again despite this poor number. 4 Piccadilly scored a good win in the last race. Has been a non-starter due to a throat infection after that but should be followed here.
