5 In Love Boko is a nice horse who has been racing in the V75 too. Is in good shape and comes from a really good effort after a tough opening. Good chance here with the right journey. 6 Enzo Am has failed lately but kept up the pace alright in the last race against tough horses. Has to defend a lot of points so will certainly put in a good effort. 8 Betting Rebel has not convinced at all lately but faces much easier opponents than he uses to. Early choice if improved. 4 Jackman can finish fast in case of quick pace but is normally not good enough to challenge our top trio.

1 Bitchie has met too good horses lately but scored a nice victory in April. Is ideally drawn and should be considered early. 2 Vanessa Face failed in the last race but was good in the race before and is more strong than fast. Will probably get an offensive trip here and could defeat all opponents. 5 Cape Town finished very fast in the last race and faces nice conditions money-wise. Experienced driver and can finish fast. 8 M.T.Powertool scored a good win two starts back. Is poorly drawn but can do it tough and quick pace would be an advantage.

4 Under the Counter made his comeback in the last race and is certainly improved a lot by that run. Did alright in the lead then and has top chance here. Banker. 5 M.T.Joinville is interesting here in this ridden race. Is good for this class and has met very tough opponents lately. Possible if improved. 7 Sign Me Up Too was not at his best in the last race but got a tough journey. The form is a question mark but he is good for this class. 2 Accord Marjacq has not trotted perfectly lately but the horse has recharged the batteries and has good skills for this class.

9 Prins C.K. has galloped twice in a row but is a lot better than that and faces easier opponents here. If he avoids a mistake he should have a good chance here. 5 Klack Ymer is interesting in the debut for Daniel Redén and certainly very well prepared. Has to be considered early and might be improved a lot. 7 Högheimsfax galloped in the last race against tough opponents. Was not empty then and is fast for this class. Could be dangerous with the right journey. 10 Moddson makes his comeback here but has good capacity. Possible directly with the right journey.

Can open fast. 5 Illfindmywayhome is very up and down but the trainer is pleased with his horse. Quick starter. Has to be considered. 10 O.M.Easton is in good form and finished very strongly again in the last race. Needs some racing luck and is an early contender in that case. 4 Jamaica Boko galloped from far back in the last race but had shown good speed before that. Can open fast.

If he avoids a mistake he will be hard to beat here. 5 Enge Eros scored a very good win in the last race and the horse has been matched in the V75. Could get an offensive trip here. Early challenger. 1 Chestnut has two runs under his belt now. Has done well and the horse should be considered very early in the lead. 6 Great Winner is in great shape but galloped in the last race. Was really nice before that and in case of quick pace he could defeat many opponents here.
