6 Max Montana is doing really well and has been in tough companies lately. He is going down in class now and has a nice task here. Good chance of winning. **3 Las Vegas Sisu** is the main challenger. The horse has good capacity and is better than the results show. If he is at his best, he is an early choice. **13 Dats Summertime** is matched in good companies. Needs some racing luck from here. **8 B.B.S.Sky River** has improved in the last two races. Tougher now.

1 Beaver Creek has won very easily in two starts. Tougher opposition now, but he looks nice and has a good starting position. Good chance again. **9 Joker Ima** competed in an E3 final two starts back after impressing in the heat. Still hasn't won a race but will probably do so soon. **6 Poppel** has put in two nice efforts after a change of trainer and a long layoff. Interesting with Stefan Persson. **8 Kenscoal** has been improved barefoot.

4 InYourFace C.G. made his debut for Oskar Kylin Blom last time and got a nice trip. Never had a chance then but looked very nice a bit behind the leader. Seems very gifted and is our pick despite this lane. **6 Day Time Trot** scored some nice wins, but hasn't really been at his best since then. Returns after a layoff. Has a perfect draw and should find a good position. Challenger. **1 Njuta In** has developed a lot. Should get a nice trip from here. **2 Global Goddess** has to be considered as well.

11 Kobra Brick is very capable and won comfortably in an E3-final in June. Tricky number now, but the horse is strong and should be able to win also with a tough journey. Undeclared without a mistake. **3 Bonsse Garde** was good in an E3-final fourth up. Good starting position this time and early contender. **9 Henessi Joyride** set a Swedish record in the last race and despite this number she has to be considered very early here. **8 Global Got It All** got locked in behind Kobra Brick in the last race. Poor draw.

7 Zarex has developed really well. Galloped in an E3-final last time, but had four wins in a row before that. This lane is not optimal, but faces nice conditions anyway and has to be considered early. **1 Jaguar Godiva** was really nice barefoot in the last race. Can open fast and if he reaches the front he will not be easy to defeat. **12 Jonte Godiva** is consistent and good. Tough lane, but in the fight for victory with some racing luck. **5 Hiram** has been improved barefoot.

8 Imperator Godiva was a favorite in the V86 last time. Had shown really nice pace before that and is going down a bit in class here. If things just work out along the way, the horse should have top chance. Can do it tough. **14 Nigel di Quattro** has two runs under his belt after a layoff. Has good capacity for this kind of race. **6 Phantom le Soleil** is in good shape and could take an early lead. **13 Too Cool Toulouse** is matched in good companies and is possible here. Needs some racing luck.

3 Vivillion was the best horse of her year last season. Did well in the last race a bit behind the winner and can open fast. Should be considered early regardless of position. **2 O'Hara Boko** won a big race as a 2-year-old and has done well after that too. From a perfect lane the driver can choose the tactics. Early choice. **11 Ready To Run H.C.** got locked in with energy left in the last heat to Stochampionatet. Possible but needs some racing luck. **12 Lillium Sisu** is very capable for this class. Could be dangerous despite this position.
