10 Tor Bork did really well as second last time. Hadn't started for a while before that race and is interesting here. Despite this lane he should have a good chance in an open race. **3 Legolas** has been consistent and good. Doesn't win very often, but has a good driver and a perfect starting position. **5 Holt Lykka** took her two straight wins in easier companies at Klosterskogen. Has shown good form. **6 Bjønnum Oda** galloped in the last race and was in good shape before that.

10 Rokne Bliss has been improved a lot lately, even though she is eleven years old. Four wins in the last five starts and the opposition has been impressive. Should have a good chance again here. **11 Åse Fryd** is the main challenger. Has been improved for Merete Viksås and if she is as good as last time, she will not be easy to beat. **7 Øygard Stjerna** was fine last time. Possible but needs some racing luck. **12 Prektig** owns good speed.

Showed top form then and even though the opposition is a bit tougher now the horse should have a good opportunity. **7 Secondstartotheright** has been consistent and good so far. Early choice with the right trip. **12 Id Diamant** has high capacity. Is poorly drawn though. **10 Allegra Avanza** is possible too but needs some racing luck.

Tricky number but early choice if he finds room. **4 Aske Balder** is also a winning machine. Three straight victories before this, but tougher opponents this time. **11 Ness Tjo Tyr** is perhaps the best horse in this field and is possible here in case of over-pace.
