5 Zeus Cal did well in the last race and has probably made some progress with that run under his belt and overall this task looks really nice. **1 Maharani** has an appealing lane and will reach a nice position. Quick pace would be an advantage as the horse is really strong. **11 Roadtohana** won by a wide margin in the last race but that was from the lead and this lane is tricky. Good enough to fight for victory. **7 Karusell** has not convinced since the change of ownership. Is fast enough to be in the mix.

3 Nordlilja didn't trot well in the last race. She won with Mats E Djuse three races ago and if she just avoids a mistake she could win again. **5 Åkmans Gullspira** has now got two runs under his belt after a long break and is getting a little better with each start. It could be time for the first win of his career. **6 Rosens Elly** is consistent and good but still without a win. Owns good speed and should be considered. **10 Lassas Vårvina** has got a new driver, Marcus Lilius, and should not be overlooked.

3 Global East Rider got locked in with energy left in the last race and finished third behind Fine Manners. The six-year-old is a quick starter and will be hard to beat from the lead. **2 One Chance More** won nicely in July but was not as good after that and has also been a scratch. Normally in the fight for victory. **10 Florence Ima** met too tough opposition in the last race. Should not be underestimated even though she faces a handicap here. **5 Mellby Hurricane** uses to keep up the pace well. Is mainly a place bet here.

3 Holms Loke started the season well by taking two wins in a row. Hasn't impressed at the end, but is in better shape that the results show. In the fight for victory. **12 Lill Fredrik** scored two good wins in a row at Hagmyren but has not competed for three months since then. In the mix if well prepared. **6 Lystad Loke** has two runs under his belt and runs barefoot for the first time now - which is an exciting change. **10 Zevs** does well most of the time and with the right backs he can win this race.
