1 Rikkola held strongly in the last race and came fourth against tough opposition. Different discipline now but from the lead she is the horse to beat. **4 Diana GL** has the highest winning percentage in the race. Barefoot now which is exciting. Normally battles for victory. **10 Tøffå Ø.K.** likes to race under the saddle and despite this double handicap, the mare passes many opponents during the final lap. **9 Sjø Terna** is consistent and good - and likes to race under the saddle. Mainly a place bet.

7 Best Raun won by a wide margin in the last race and with energy left. Is ready for a strong new record and should have the best chance to win this race. **1 Tangen Rigel** has a nice starting position and has to be considered if finding an opening in time. **8 Helmin Odin** is the least experienced in this race with only eight starts. Is fast enough to win this but needs some racing luck from this lane. **10 Hå Blæsen** is still without a win after 20 starts, but the gelding has shown good form and will soon score a victory.

7 Ingen comes with three wins and is a horse in strong development. Will be hard to beat if he avoids a mistake. Chases a fourth win in a row! **5 Tysvær Odd** has won five out of 15 races this year. The five-year-old is not reliable, but without a mistake he is in the mix. **4 Kolbu Sjarmør'n** is consistent but doesn't win very often. Needs a defensive journey to fight for victory. **3 Adams Tulla** hasn't convinced at the end, but has won three races this year. Outsider if improved.

4 Fargas T.K. has the highest capacity in this race and should have top chance if he avoids a mistake. **1 Country Sound** won in his debut but was a bit too fiery in the lead in the last race and gave up at the end. Is the biggest threat to our pick. **6 Vici Kemp B.K.** has won two out of ten starts. Can do it tough and should not be discounted despite this handicap. **12 Ultima Royal** is normally good enough for this type of race.

10 Cool Hand Energy galloped in the last race. The previous time he won in a big way and without an error he will be hard to beat. **11 Galina Diamond** got defeated from the lead just before the finish last time. She is probably the best from that position but should not be overlooked here despite this number. **2 Faraja E.** is speedy but not entirely reliable. She will be in the mix if she avoids a mistake. **8 Thai Vermont** has no wins this year but is consistent. Tough conditions here though.
